

State Senate Seeks Quorum Today To Act On Appointees

LANSING (AP)—A quorum of the Senate is expected to return to the Capitol this afternoon for a last-ditch attempt to confirm Gov. Williams' two new appointees to the State Conservation Commission.

House officials expected only a handful of their members to be on hand for their routine part in the sine die (final) adjournment session of the 1953 session. There are no issues to cause a turnout of House members.

Indications were that at least 20 of the 32 senators would return under pressure from both Democratic and Republican leaders seeking confirmation of Robert Brevitz of Battle Creek and Ben East of Holly, the two "nonpolitical" nominees to the Conservation Commission.

Senator Creighton R. Coleman, Senate majority leader and a fellow-townsmen of Brevitz, has promised a strong fight to force Brevitz' name out of the Senate Business Committee and to confirm him on the Senate floor.

Early indications were that at least 12 Republican senators would heed Coleman's plea for their presence.

The governor's office said all eight Democratic senators would return and would be under instructions to put up a fight for East. Coleman has said he would not make any fight for East, but indicated he would not oppose him either.

A score of other Williams' appointees also are under study by the Senate Business Committee, but it has given no indication whether it will act on any of them.

MAY HEAD DEMOCRATS—Leslie L. Biffle, of Boyds, Ark., former secretary of the U. S. Senate, is favored as the next chairman of the Democratic National Committee. He would succeed Stephen Mitchell who is expected to resign shortly after Adlai Stevenson ends his global trip.

U.S. Jet Bombers Blast Red Tanks In Surprise Raid

SEOUL (AP)—U. S. Sabre jet fighter-bombers surprised 30 to 40 Communist tanks in a camouflaged valley just behind the Western Front today and saturated the area with 1,000 pound bombs.

Black smoke filled the valley, making an accurate count of wrecked tanks impossible, the Fifth Air Force said.

Not since early in the war has a comparable concentration of Red armor been spotted so near the front in Korea.

The Eighth Army, meanwhile, reported that heavy fighting cost the Reds 36,000 killed and wounded last month—the equivalent of about three Red divisions.

The Communists answered with the heaviest artillery and mortar fire of the war. Almost 1½ million rounds hit Allied lines during June, virtually double the previous monthly record, the Eighth Army said.

The front was relatively quiet Thursday, south Korean troops drove Chinese off a dominant knob on Finger Ridge during the night, the Eighth Army said.

Cloudy skies curtailed aerial activity, but the pilots of 22 Sabre fighter-bombers had no complaints about the weather as they returned from their tank-busting mission in which they dropped 440 bombs.

Democrats Making Last Try To Boost Fund For Air Force

WASHINGTON (AP)—The House today approved a 22 billion dollar budget to run the Army and Navy this year. This is one billion dollars less than President Eisenhower recommended.

It also approved funds to start a third 60,000 ton super-aircraft carrier.

The actions plunged the House then into consideration of the controversial 11 billion Air Force budget—a figure representing an administration cut of five billion dollars from the amount former President Truman had recommended.

No Objections
Funds for all the armed services and the Defense Department are in one big bill carrying a total of 345,434,140,500 as it came from the House Appropriations Committee.

The committee's recommendations as to the Army and Navy were accepted by the House when these sections of the bill were read and no one raised objection. They provided:

Army—\$12,892,000,000. This is 699 million dollars less than President Eisenhower requested but nearly 900 million dollars more than recommended by former President Truman, because the total includes Korean War costs.

Navy—\$9,384,663,000. This is two billion dollars under the Truman budget and \$398,280,000 less than the Eisenhower request.

Republican leaders counted heavily on a direct appeal by President Truman to Page 6, Col. 5.

Car Crash Kills Bride-To-Be, 17

CHICAGO (AP)—A 17-year-old bride-to-be was fatally injured in an automobile collision Wednesday after she and her fiancé had bought a marriage license and her mother had borrowed \$200 for expenses of the planned wedding July 12.

The girl was Rosemary Mason of suburban Des Plaines, a younger sister of Roberta Lee Mason, fire heroine of four years ago.

Rosemary, her fiancé, John Campobasso, 18, and her mother, Mrs. Mildred Mason, were returning to the Mason home after a trip to the Cook County Marriage License Bureau and a finance company office in Chicago.

Campobasso, Mrs. Mason and Gus De Buck, 47, of Kaucondia, Ill., driver of the other automobile, suffered cuts and bruises.

The collision occurred at River Road and Bryn Mawr on Chicago's outskirts. Campobasso told state police a truck forced his automobile into oncoming traffic.

Mrs. Mason told police the \$200 she borrowed for the planned July 12 wedding at St. Columbkille Church was missing after the accident.

Epidemic In Sweden Blamed On Bad Meat

STOCKHOLM, Sweden (AP)—Typhoid fever killed 30 persons and sickened more than 2,500 others in an epidemic in Sweden during the past two weeks.

After investigation, authorities today blamed the epidemic on infected meat and confiscated large stocks in Kronoberg Province, Southern Sweden. Supplies of imported meat have also been confiscated.

Wife Runs Mint At Philadelphia

PHILADELPHIA (AP)—Mrs. Rae V. Biester, a suburban Drexel Hill housewife who gets up at 6:45 a. m. to cook breakfast for her husband, reported for duty today as head of the U. S. Mint here.

Appointed recently by President Eisenhower, Mrs. Biester was sworn in Wednesday—the first woman in the nation's history to head the Philadelphia money-making plant.

What does she think of her double life—running the mint and cooking for her husband William, president of the Electro-Construction Company of Philadelphia?

"Well," she says, "I think I've struck a happy balance."

Mrs. Biester became active in American Legion work shortly after her marriage in 1921 and was elected president of the Legion's Auxiliary at a convention in Chicago in 1934.

She entered Republican politics in 1947, being elected to her first public office—county treasurer.

She is credited with overhauling operations in her office and installing methods that were copied widely by other counties throughout Pennsylvania.

She was a delegate to the Republican National Convention in 1952, backing Eisenhower.

Mrs. Biester has no trouble combining home life with outside work.

"I do all the cooking myself," she said. "I think every wife should."

Kansas City Woman Sneezes Four Days

KANSAS CITY (AP)—A 38-year-old housewife has been sneezing for four days—sometimes at the rate of 30 to 40 sneezes a minute.

The woman, Mrs. Louise M. Turner, has been hospitalized since Tuesday. Her physician said she had been sneezing continuously except when the under the influence of a sedative to make her sleep.

Her husband, M. B. Turner said, "Louise just started sneezing very suddenly. She didn't know what started her off and still doesn't know."

Rhee's Demand For Unity Stalls Armistice Dickers

Treasury Begins New Fiscal Year Deep In Red Ink

WASHINGTON (AP)—The government collected more taxes in the last 12 months than in any other year in the nation's history, but still ran up a deficit of \$9,389,000,000.

And it is going to start off the new fiscal year, which began Wednesday, by borrowing 5½ to 6 billion dollars.

No Tax Reductions
Sen. Byrd (D-Va.), noting these figures, said in an interview today: "I just don't see how there can be any new tax reductions in the face of these tremendous deficits. The loss in revenue from the reductions automatically scheduled to take place on Jan. 1 apparently is not going to be offset by reductions in spending."

Personal income taxes are due to drop 10 per cent on Jan. 1. The excess profits tax, which the administration wants extended, would expire then if Congress grants Eisenhower's request.

Income Up 3 Billion
Secretary of the Treasury Humphrey said today that:

1. The government spent \$74,607,420,232.16 from July 1, 1952, through June 30, 1953, compared with \$66,145,246,957.62 in the previous 12 months.

2. The government's net income in fiscal 1953 was \$65,218,336,562.73, some three billion dollars more than the previous record year in fiscal 1952.

3. This meant a fiscal 1953 deficit of \$9,389,083,669.43, more than double the \$4,016,640,378.10 the government went in the red in the previous fiscal year.

4. The public debt rose from \$259,105,178,785.53 to \$266,071,061,638.57.

Mob Bombs Bus At Atlanta, Ga.

AUGUSTA, Ga. (AP)—A bus company spokesman charged that the city is "in the throes of mob rule" after a tear gas bomb was tossed into one of the company's buses.

Six persons were sent to the hospital late Wednesday in the latest violence stemming from a strike of bus drivers. The bomb fell into the lap of Sarah Lee Bryant, 26-year-old Negro. She suffered burns on the hip and an injured arm.

Five other passengers, all Negroes, were treated for shock and illness caused by the bomb.

Roy V. Harris, secretary of the Augusta Coach Company, commented, "It looks like mob law has taken over the city."

The company has been using non-union drivers since union members walked out May 31 in a move to gain higher wages. They are members of the AFL Amalgamated Association of Street, Electric Railway and Motor Coach Drivers of America.

Non-union drivers have been armed with pistols.

Floods Take 629

TOKYO (AP)—National police headquarters reported today that latest figures show 629 persons were killed in disastrous floods which swept over the island of Kyushu last week. Another 1,063 were reported injured and 547 missing.

For the first five months of 1953, there have been 641 deaths, 21,268 injuries and 72,528 accidents. This is a 13 per cent increase in deaths, a 21 per cent boost in injuries and a 12 per cent rise in accidents.

WISCONSIN SLAYING VICTIMS—Sumner Harris, 53 (left) publisher of the semi-weekly Door County Advocate, and his wife Grace, 50, (right) were found stabbed to death in their new home at Sturgeon Bay, and the killing has been confessed by a husky neighbor boy, James Duranty, 14. The youth, captured in Indiana after a flight in the Harris automobile, could give no motive for the murder. (NEA Telephoto)

HEAT POPS IN AUTO—H. S. Taurud inspects the new "air conditioning" equipment he found in his car when the mercury at Minneapolis soared into the nineties. The hot sun baked the car so that the interior heat built up and blasted a hole through the rear window. (NEA Telephoto)

WISCONSIN SLAYING VICTIMS—Sumner Harris, 53 (left) publisher of the semi-weekly Door County Advocate, and his wife Grace, 50, (right) were found stabbed to death in their new home at Sturgeon Bay, and the killing has been confessed by a husky neighbor boy, James Duranty, 14. Sturgeon Bay Boy, 14, Admits Knife Murder Of Publisher And Wife

SHELBYVILLE, Ind. (AP)—A husky 14-year-old Wisconsin youth has admitted the fatal stabbing of a newspaper publisher and his wife at Sturgeon Bay, Wis., but he says, "I don't know why I did it."

"I know it's too late to be sorry," the 6-foot, 185-pound youth said Wednesday as he signed a statement admitting the slaying of Sumner Harris, 53, publisher of the Door County (Wis.) Advocate, and his wife Grace, 50.

Shelby County Sheriff Robert Meltzer said the statement was made by James A. Duranty, who was arrested here early Wednesday morning by two policemen who found him sleeping in a room at the Courthouse.

Car Found In Ditch
Duranty was booked at police headquarters on a charge of vagrancy, after telling police he was

Joe Mead and that he lived in Michigan.

His identity was not established until shortly before dawn, when Sheriff Meltzer was called to investigate the report of an abandoned car in a ditch 3½ miles northeast of here.

The car, a late model sedan with Wisconsin plates, contained two suitcases, a suitcase and an eyeglass case with the name "Harris" written in ink on the inside cover.

The sheriff confronted the boy at the jail with the eyeglass case and a suit coat which matched the tweed trousers he was wearing. Then he admitted his identity, the sheriff said, and stated:

"I don't know why I did it. Something up there told me to do it." He pointed to his head.

Chased Into Kitchen
Meltzer said Duranty signed a statement after Wisconsin authorities were notified of his arrest. A first degree murder warrant already had been issued against the boy in Wisconsin.

The sheriff said the boy's statement told of how he went to the Harris home Monday evening and knocked on the door. He said he attacked Mrs. Harris as soon as she answered the door, attempting to gag her with his hand.

His statement said she broke loose and he chased her into the kitchen but she got free again and

May Bad Month In Car Mishaps

LANSING (AP)—May was the most disastrous month in Michigan history for highway casualties, state police reported today.

The total was 5,433 persons killed or injured, compared to the previous record of 5,303 last December.

There were fewer persons killed on the roads in May than in December—129 to 171, respectively—but there were 5,304 persons injured compared to 5,132 in December. This also was a new monthly injury record, 29 per cent higher than the December record.

The May casualties worried police because May is not usually a high-accident month. Highway mishaps normally go higher in June, July and August with heavy summer traffic.

For the first five months of 1953, there have been 641 deaths, 21,268 injuries and 72,528 accidents. This is a 13 per cent increase in deaths, a 21 per cent boost in injuries and a 12 per cent rise in accidents.

Foreign Aid Budget Marked For Slash

WASHINGTON (AP)—The \$5,318,000,000 foreign aid bill escaped Senate budget cutters Wednesday but Republican leaders practically invited some slashing on the second round.

The Senate passed the authorization measure late Wednesday.

However, majority leader Taft of Ohio and other top Republicans assured their colleagues they were perfectly free to vote to cut later when the foreign aid money bill comes up.

The authorization bill merely fixes the ceiling for sums that can be appropriated for the fiscal year.

President Eisenhower had submitted a \$5,474,000,000 bill to Congress as a rock bottom figure. The measure passed by the Senate was only 156 million under this request.

The House voted 320 million less

Saboteurs Cut Off Power As Queen Comes To Belfast

BELFAST, Northern Ireland (AP)—Suspected sabotage by Irish nationalists cut off electric power in this industrial capital of Northern Ireland today at the moment Queen Elizabeth II entered the city for the first state visit of her reign.

A railway bridge near the southern border was bombed in an apparent attempt to stop special trains bringing citizens of the Irish Republic to see the Queen. Traffic was blocked between Dublin and Belfast for several hours, and some excursion trains were delayed.

Strategic ship building yards, aircraft plants, and hundreds of other industrial plants were paralyzed for two hours by a mysterious breakdown—reputedly in dynamo—at Belfast's harbor power station at 11:15 a. m.—the moment Queen Elizabeth was entering the city. The city buzzed with rumors—all officially denied—that a bomb explosion was responsible.

Queen Elizabeth and her husband, the Duke of Edinburgh, arrived Wednesday for a three-day visit that is part of the coronation celebrations. Northern Ireland's six counties are under British sovereignty—a situation that the Republic of Ireland and a minority of anti-royalists here find hard to accept.

The power breakdown did not interfere with the routine of the Queen's visit.

Escaped POWs Join Korea Army

PUSAN, Korea (AP)—About 400 anti-Red North Korean war prisoners recently released from U. N. stockades reported to the South Korean Army replacement center near Pusan today.

They were identified as former prisoners by district officials at Pusan.

More of the POWs remaining in Pusan were expected to follow suit.

The North Korean youths, wearing folded national flags of South Korea across their breasts, sang patriotic songs and waved their hands and small paper flags as they passed through Pusan streets in at least 15 trucks.

They were on their way to the replacement depot in Tongnae, 10 miles north of Pusan.

Officials of neighborhood wards said they were former war prisoners who had been taken care of by residents of Pusan.

An estimated 27,000 North Korean anti-Communist war prisoners were released June 18 and thereafter on order of President Syngman Rhee in a move that stalled the armistice talks on the verge of signing.

Railway Crossing Mishaps Kill 5

By The Associated Press
A 34-year-old Kalamazoo man today became the fifth Michigan resident killed in the past 24 hours in three train-auto collisions.

Ray Smith was injured fatally when his car was struck at an unmarked grade crossing in Kalamazoo by a Pennsylvania Railroad passenger train enroute from Elk-Hart, Ind., to Mackinaw City.

In a train-auto collision at Traverse City Wednesday, three Rapid City men were killed. They were David Jay, Kesse Penrod and Franklin Sanders, whose car was struck as they were enroute to work.

Arthur Gervais, 54, of Detroit, was killed Wednesday when his car was struck by a Chicago-Detroit streamliner of the New York Central Railroad in Plymouth township.

Tornado Takes Check On 60-Mile Flight

NEW YORK (AP)—A paycheck whirled away by a tornado at Worcester, Mass., and lost for 21 days has been returned to railway mail clerk Charles F. Nowlin.

Rain-streaked but still legible, the check landed 60 miles away at the South Weymouth Navy base, near Roxbury, Mass. It was found by John J. Landry, a sailor and returned to Nowlin.

The twister flattened Nowlin's house.

Lawrence Caron Dies Of Injuries

Lawrence Caron, 5, son of Mr. and Mrs. Herbert Caron of 312 N. 19th St., died at 11:30 last night in St. Francis Hospital of injuries suffered shortly after noon yesterday when he was struck by a car while crossing the street.

The child's skull was fractured. Escanaba police said the car that struck the child was driven by Ward Steimert, 18, of 317 First Ave. S. Steimert told police the child ran from behind another car that had stopped for a stop sign at the intersection of N. 14th St. and First Ave. N.

Steimert said he did not see the child until too late to avoid the accident. The driver stopped his car immediately and took the injured boy to the hospital.

Police said Steimert was going south on 14th St. and was making a turn east onto First Ave. N. when the boy stepped into the path of the car.

Born July 4, 1947 at Escanaba, Lawrence attended the kindergarten at Washington School.

He is survived by his parents; a brother, James; a sister, Sherri; paternal grandparents, Mr. and Mrs. Alphonse Caron and maternal grandparents, Mr. and Mrs. August VanEffen.

The body will lie in state beginning this evening at Allo Funeral Home.

Funeral services will be held at 10 a. m. Friday at St. Patrick's Church with Fr. Francis Hollenbach officiating. Burial will be made in Gardens of Rest Cemetery.

Letters To The Editor

NOT AFFILIATED

Editor,
Escanaba Daily Press,
Escanaba, Michigan.

Dear Sir:

There is one matter that I wish to clarify, in connection with my appearance before the Escanaba School Board, regarding the sale of the Escanaba Daily Press.

There are numerous groups and individuals and several corporations interested in submitting bids. The Peninsula Publishing Company, in which I am interested, does not represent any other individual or group—merely its own stockholders. It does not represent Wendell Lund or Don Cook of Washington, as neither Wendell or Don had any part in the forming of this company. They do not have any stock in the company, and are not represented on its board. They are interested in the purchase of the Escanaba Daily Press, and are acting for themselves in this connection, and I have every reason to believe they will submit their own bid.

I feel confident that many bids will be submitted, and such competitive bidding, will be in the best interests of the Anna C. Norton Scholarship Fund.

Thank you for printing this communication.

Yours very truly,
Gerald J. Cleary.

(Editor's Note: Mr. Cleary appeared before the Escanaba Board of Education last week and proposed that the Board dispose of the Escanaba Daily Press by a sale through sealed bids. The Board acquired the property through the bequest of the late John P. Norton. In Mr. Cleary's appearance before the Board, he said that Wendell Lund and Don Cook of Washington, former Es-

Louis F. Breitenbach To Be Ordained Sunday

Louis Charles Breitenbach, son of Mrs. William Breitenbach, 1407 Stephenson Ave., and the late William Breitenbach, will be ordained into the office of Deacon at St. Paul's Episcopal Cathedral at Detroit at the 11 a. m. service July 5. Five other candidates will take part in the ceremony.

The ordination service will be conducted by Bishop Richard S. Emrick of the Southern Michigan Diocese, and the candidates will be presented by Dr. George Selway of St. Paul's Episcopal Church at Lansing.

Mr. Breitenbach was graduated from Escanaba High School, June, 1943; Michigan State College, June 1950; and the Virginia Theological Seminary, Alexandria, Va., June 1953. Following his ordination, he will take charge of the Calvary Episcopal Churches of Hillman and Long Rapids, Mich.

He has two brothers who also reside in Escanaba. They are Fred Breitenbach, 1501 Sheridan Road, and Ted Breitenbach, 2223 Ludington St.

LOUIS F. BREITENBACH

Garden July 4th Program Listed

GARDEN—The Fourth of July celebration in Garden, sponsored by the American Legion, will get underway with a children's costume parade on main street at 11 a. m., Saturday and will be followed by music by the German band at 11:30 a. m.

The afternoon program will start at 12:30 p. m., with the Manistiquie Boy Scout Drum and Bugle Corps performing until 1 p. m. A tug of war between Manistiquie and Garden Boy Scouts will follow.

Big attraction for the afternoon will be a baseball game between Garden and Fayette, beginning at 1 p. m.

Competitive games are scheduled between 1 and 1:30 p. m., 2:30 and 3 p. m., and 4:30 and 5 p. m. Beginning at 1:30 p. m., the German band will play for an hour.

Fun games and music are slated from 5 to 10 p. m., and a grand ball in the Community Hall will climax the festivities. Music for the dance will be played by Chet Marrier's orchestra, beginning at 10 p. m.

Bark River Parade Line-Up Announced

BARK RIVER—Floats taking part in the Bark River Fourth of July parade will assemble at the parking grounds of Salem Lutheran Church Saturday at 10 a. m. to form a line of march. Those participating in the doll and bicycle parade will form in line at 10 a. m. at the Post Office and will join

Youth, 8, Badly Hurt On Highway

Jack Johnson, 8, son of Mr. and Mrs. Thurlay Johnson of Escanaba Rte. 1, was badly hurt about 4 p. m. yesterday when struck by a car on US-241 two miles west of Escanaba city limits, the sheriff's department said.

The boy was taken to St. Francis Hospital with both legs broken, a concussion, lacerations of scalp and chin, and multiple abrasions of his body, his doctor said this morning. The doctor said the boy is expected to recover.

A car driven by Leo Zimmerman, 23, Carney truck driver, hit the youth. Sheriff's men said the accident could not be avoided.

Boy Hit in Crossing

Sheriff's men reported that Zimmerman was driving west at 40 m. p. h. Meanwhile, the boy was standing on the north shoulder of the road watching a truck come from west to east. When the truck went by, the child, not seeing a vehicle coming from the east, started across the road. Zimmerman applied brakes and sounded his horn, but hit the boy and traveled 35 feet before he could stop.

No tickets were given, the sheriff's department said.

Flooded roads contributed last night about 7 to an accident on US-241 near Masonville in which autos driven by John Seppi, a conservation officer from Chatham, and Donald Huycke, Willowdale, Ont., received considerable damage, Michigan State Police reported. No one was hurt.

Highway Flooded

Where County Road I-515 joins US-241 in the Masonville vicinity, troopers said, the water had flooded the highway to a depth of three or four inches over a hundred-foot area. Warning signs were out and flare pots burned.

Huycke, driving south, hit the flooded patch and pitched into the shoulder. He ricocheted back over the pavement into the opposite lane where he crashed into the northbound car driven by Seppi. He hit the side of the conservation officer's car and did considerable damage to the left rear fender and wheel, troopers said.

Michigan State Police issued no tickets. However, because Huycke was a driver with a physical handicap, they are continuing to investigate.

the parade at that point. A German Band will assist the Bark River-Harris High School Band in providing music throughout the day.

AN ELECTRIC MIXER WAS presented as a gift to Camp Harstad by the Rebekah Lodge. Pictured above is Clarence Moore, physical therapist, accepting the gift in appreciation of the camp. Presenting the mixer left to right, are Mrs. O. W. Peterson, vice-grand, Mrs. Arne Rian and Mrs. George Lundeen, noble grand. (Daily Press Photo)

Briefly Told

Clinic Friday—An immunization clinic will be held at the Webster Annex Friday, July 3, from 1 to 3.

Danforth 4-H—The Danforth 4-H Dairy Club will meet tonight at 8 at the Elmer Johnson farm, Danforth.

Marriage License—James McCarthy, 310 N. 20th St., and Patricia Van Damme, 308 Minnesota Ave., Gladstone, have applied for a marriage license at the office of the county clerk.

Mrs. Pearl Smith Rites—Funeral services for Mrs. Pearl Smith of Gladstone will be held Friday

at 2 p. m. at the Skradski Funeral Home and at 2:15 at Trinity Episcopal Church in Gladstone. The Very Rev. Joseph S. Dickson, Vicar of Trinity, will officiate.

Playground Program—A games party under the supervision of Miss Joan Frasher of the City Recreation Department will be held at Webster Park Friday from 1 to 3 p. m. All youngsters of the North Escanaba area are invited. A marshmallow roast for children of the Royce Park area will be held Friday from 6 to 8 p. m. at Royce Park. Games will be played under the supervision of Miss Frasher.

Health Nurse Begins Field Training Here

Miss Cora A. Bennett of Lima, Ohio, who this fall will complete studies for a bachelor of science degree at Wayne University, Detroit, this week began a 7-week field experience program with the Delta-Menominee District Health Department.

A graduate of St. Elizabeth Hospital School of Nursing in Washington, D. C., Miss Bennett has had experience in various phases of hospital nursing, as well as three years service with the U. S. Army Corps of Nurses. She also has attended Catholic University and American University in Washington, D. C., and has studied for two years at Wayne University.

Through the health department

here, Miss Bennett will observe various phases of the program here and participate in the public health nursing program in Delta-Menominee county under the direction of Miss Phoebe Anderson, nursing supervisor. She will work with Miss Irene Larson, in the north portion of Menominee County, the west part of Delta County and in Escanaba.

Fr. Ryan Is Appointed President Of Regis U.

The Rev. Richard F. Ryan, S. J., a native Escanaban, and a son of the late Mr. and Mrs. Matthew J. Ryan, prominent residents of this community for many years, yesterday was appointed president of Regis University in Denver, Colo., one of the leading Jesuit educational institutions in the country.

Father Ryan, whose ordination to the priesthood took place June 14, 1948, in the Chapel of the Immaculate, St. Mary's College in St. Mary's, Kan., offered his First Solemn Mass at St. Patrick's Church in Escanaba, his home parish.

He was assigned to St. Louis University, St. Louis, Mo., as an instructor, and later was named assistant in the Dean's Office, which position he held until his appointment to the presidency of Regis.

Father Ryan was born in Escanaba Oct. 6, 1912. He attended the Franklin School and St. Joseph's School here and was graduated from Escanaba High School in 1930. He received his B.A. degree in economics from the University of Wisconsin in 1937 and was associated with a Milwaukee industry until he entered the Jesuit novitiate at Florissant, Mo., in 1938 to begin his studies for the priesthood.

He attended St. Louis University from 1941 to 1944 for graduate studies in philosophy and economics, receiving an M.A. degree in economics. He taught at Creighton Preparatory School in Omaha one year and entered St. Mary's College to begin his study of theology in August of 1945.

Father Ryan is a brother of Mrs. Carl Nordberg of Mackinac Island, Mrs. James Heller of Chicago and Attorney Edward K. Ryan of Sacramento, Calif., all former residents of Escanaba. He also is a nephew of the Misses Lenora, Josephine, Helen and Margaret Ryan of Escanaba and of Mrs. Marc Prass of Detroit.

Rev. Richard Ryan, S. J.

Obituary

MRS. FREDRICKA LIPPOLD—Funeral services for Mrs. Fredricka Lippold were held at 2 p. m. yesterday at the Anderson Funeral Home chapel with the Rev. William Lutz of Salem Lutheran Church officiating. Burial was in Lakeview Cemetery.

Miss Mary Ann Ottensman sang "Abide With Me" and "The Lord Is My Shepherd." Mrs. Henry Ottensman was accompanist.

Palbearers were Max Liedtke, Edward L. Moersch, George Champleny, Louis Flath, Frank Rudiger and Frank Rudiger.

Mr. and Mrs. Alvin Lippold of Detroit and Mrs. Alma Neutzel of Milwaukee attended the rites.

LESLIE SLAGLE—Funeral services for Leslie Slagle of Chicago were held today at 2 p. m. at All Saints Church with Very Rev. Joseph S. Dickson of St. Stephen's Episcopal Church officiating. Burial was made in Lakeview Cemetery.

Palbearers were Dr. F. B. Olmsted, Chester La Pine, Adson Casey, Richard O. Flath, Ernest Flath and Otto Wagner.

Out-of-town people attending the funeral services were Robert M. Brown of Milwaukee, Dr. F. B. Olmsted and Fred Olmsted of Jackson, Mich., Mr. and Mrs. Adson Casey of Fairport, Mich., and Irene Brown and Chester LaPine of Garden.

Reserve Office Here Is Moved

The U. S. Army Reserve substation, formerly located at 705 Ludington street, has been moved into the U. S. Army and Air Force recruiting office at 807 Ludington street.

Recently released veterans of military service report to this office, which is in the charge of M/Sgt Robert A. Larkin. The office serves the entire Upper Peninsula.

By joining units of the organized reserve, men inducted into the service reduce their reserve obligation, following release after two years active duty, from five to three years. The men in the reserve also earn retirement benefits.

Members of reserve units meet two to four times per month for two-hour sessions, for which they receive a full day's pay in their grade. In addition, they attend a 2-week summer camp for which they receive full grade pay.

Rotie W. Hakes Dies At Hospital

Rotie W. Hakes, 65, of 329 S. 10th St. died today at 6:50 a. m. at St. Francis Hospital. Mr. Hakes has been in ill health for the last several years. He entered the hospital yesterday.

Born Jan. 7, 1888, Mr. Hakes has lived in Escanaba and the Bark River Community nearly all his life.

He is survived by his wife; three daughters, Mrs. Florence Besaw of Escanaba, Mrs. Walter (Margaret) Treptow of Niagara, Wis., and Mrs. Godfrey (Helen) Treptow of Milwaukee; four sisters, Mrs. Albert Deiter of Escanaba, Mrs. John Gilreath of Orleans, Ind., Mrs. Jesse Wellmann of Ford River and Mrs. Alvin Nelson of Marquette; two brothers, Earl Hakes of Bark River and Harvey Levarie, half brother, of Detroit.

The body was taken to the Allo Funeral Home, and funeral arrangements have not been completed.

Assault Charges Filed By Woman In Menominee County

MENOMINEE—Warrants charging assault and battery on the divorced wife of a Perronville man have been issued against Casimir Holochwest, the woman's former husband, and his mother, Mrs. Joseph Holochwest, who reside on a farm near Perronville, according to the prosecuting attorney of Menominee County.

The assault on Mrs. Mary Holochwest, complainant, now of Bark River Rte. 2, is alleged to have been committed May 13 at the farm home where she and the couple's three children had been living since last summer.

The divorced wife claimed she was so badly beaten by her ex-husband and his mother that she suffered severe headaches and backaches that subsequently required hospitalization in Escanaba for two weeks.

In statements given to Lundgren, the three principals told different stories about the assault which resulted from an argument. The three also submitted to State Police lie detector tests.

The divorced wife claimed she was preparing breakfast for her former husband and his mother when the argument started, and that the mother pulled her hair and struck her in the face, and that her former husband held her while his mother struck her on the head with the handle of a butcher knife until she passed out.

Holochwest and his mother both deny this, claiming that it was Holochwest's ex-wife that threatened to kill the mother by throwing raw eggs at her.

The Holochwests were married in 1939 and lived in Cicero, Ill., where Holochwest operated a music store. The couple were divorced December 23, 1951, with the mother given custody of the three children. In June 1952 the father drove the children to the Holochwest farm, where he had moved to help his mother run the farm.

Last September Holochwest and his mother persuaded his ex-wife to move to Perronville and live, promising to build her a home for her three children on the farm, according to the ex-wife. She continued to live at the farm until the alleged assault.

Trucking Troubles:

Small Operators Opposed In PSC Hearings In U.P.

The "little" man with one or two trucks who wants to haul gravel or construction materials in Northern Michigan is finding it more difficult to obtain the necessary permit from the Public Service Commission.

This was revealed today in a Commission hearing in City Hall, when representatives of the Michigan Gravel Haulers association and the Teamsters Chauffeurs Union were present to protect established haulers and union operators.

Added to such opposition is the PSC requirement that applicants have someone other than themselves present to testify as to the need for their services.

"The legal requirement for proof of public convenience and necessity is not fulfilled unless there is such testimony," said Maurice A. Hunt, Public Service Commission member who conducted today's hearing.

Enough U. P. Trucks?

The challenge of applicants came largely today from Armstrong Paterson, Detroit, representing the Michigan Gravel Haulers, whose association has now moved into the Upper Peninsula.

It is the position of the Gravel Haulers association that there are now enough trucks operating in the Upper Peninsula and that new applicants should be opposed on economic grounds.

An example of opposition by the Teamsters & Chauffeurs union, A. F. of L., was revealed today in the hearing on the application of Frank Yagodzinski of Wilson, Menominee county, who wants state authority to haul gravel and other similar materials.

In support of Yagodzinski's application, Harold Dams, foreman at the Champion, Inc., gravel plant turning out materials for M-35 road work south of Escanaba, testified that on June 22 this year he telephoned the Teamsters & Chauffeurs headquarters in Escanaba, talked to an office girl, and requested whether they had any trucks available for his job.

Need Is Opposed

Dams said that he never received an answer from the union to his request.

Lawrence Gasman, Escanaba, business representative of the

WANTED SALESMAN

Better than average position open for experienced man calling on industrial and commercial accounts in Upper Peninsula and Northern Wisconsin. This position carries salary, expenses, bonus, insurance, pension and paid vacation. Industrial sales experience, with some engineering or mechanical background preferred, but not essential. This position will be with a company whose reputation and products are second to none in our field. If you are under 35, have a late model car and think you are our man, write us giving complete history and qualifications.

Box No. 7153

distributors for delivery purposes, without certification as carriers, while even one individual engaged in hauling gravel for hire must be certified.

The state's stipulation that dump trucks and dump trailers may not operate beyond a 75-mile radius from their home terminal, except in hauling for railway, airport or highway construction, came in for criticism at the hearing.

The 75-mile radius regulation might be well enough in the densely populated Lower Michigan section, but the limitation is held impractical for Northern Michigan.

Way To Isle Royale

One applicant today told Commissioner Hunt that his home terminal will be Hancock on the Keweenaw Peninsula.

Atty. O'Hara commented that the applicant "could haul sand and gravel on barges on Lake Superior to Isle Royale."

Earlier this year Atty. O'Hara in a statement to the Public Service Commission directed attention to what he described as the present "chaotic situation in the Upper Peninsula."

"Those of us who are concerned with regulatory work in the U. P. realize what a problem we have. We realize that regulations of

Thompson

AFL Officers Appointed

THOMPSON—Oscar Jasmin was appointed president of the Thompson A.F.L. at a meeting held at the town hall Monday evening. George Wiederspin Jr., of Munising conducted the meeting. Other officers are Tom Smith, vice president, and John Potvin, secretary-treasurer.

Births

A son, John Earl III, was born to Mr. and Mrs. Earl Burns June 23 at Shafer, Minn. Mrs. Burns is the former Mary Lu Belleville and a former Thompson resident. Mr. and Mrs. George Arnold are her grandparents.

Mr. and Mrs. Virgil Adams are the parents of a son, Keith William, who was born June 18. Mrs. Adams is the former Joy Brown and a former resident of Thompson. She is the niece of the Floyd Samples and Ole Edwardsens.

these carriers, like Topsy, 'just growed.'

He also directed attention to the fact that if the downstate haulers have their way and limitations are established confining Upper Peninsula operators to north of the Straits, the middle of the proposed Straits bridge will be the stopping point for inter-peninsula hauling.

Adam Dobrawolski Dies At Sanatorium

Adam Dobrawolski, 64, of Escanaba, died yesterday afternoon at Powers Sanatorium. He has been in ill health for the past five months. There are no known survivors.

The body lies in state at the Allo funeral home.

Funeral services will be held at 7 a. m. Friday at St. Thomas Church with Rev. Arnold Thompson officiating. Burial will be made in Holy Cross cemetery.

More people get more news from newspapers than from all other sources combined.

IRONWOOD—The Rev. J. E. Nopola of Ironwood, Mich., is the new president of the National Evangelical Lutheran Church.

The Michigan clergyman was named at the denomination's 55th annual convention at Cleveland, O., to succeed Dr. G. A. Aho of Painesville, O., who has held the position for 22 years.

IRONWOOD—Title to the Camp Plagens site at Watersmeet, long sought by the Upper Peninsula Laymen's Retreat association and the Catholic Diocese of Marquette, was turned over to Monsignor David Spelgatti, of Marquette, by Gene Zinn, Ironwood attorney.

IRONWOOD—Increasing numbers of tourists apparently visited Ironwood the past week on the basis of parking meter returns announced today by the city treasurer's office.

The year's high total single return of \$500.62 was reported.

HANCOCK—The meter issue placed before the voters of Hancock at yesterday's special election resulted in a more than two to one vote against the proposed installation. The vote was 220 for and 473 against.

HOUGHTON—The three-mill tax issue which was placed before the voters of Houghton county yesterday at a special election won by a majority of 360 votes. The unofficial totals are 1,827 for and 1,467 against. The vote in all precincts was comparatively light.

WAKEFIELD—Kenneth Duncan, former Wakefield resident who is manager of Iron ore mines for Pickands, Mather & Co., is retiring from that position but will continue with the company as a consultant July 1.

Gladstone Shows It Will Face Up To It's Electric Problem

THE heavy vote in support of companion proposals to authorize the construction of a \$2,200,000 electric generating plant in Gladstone leaves no room for doubt that the citizens of Gladstone are prepared to face up to their electric problem.

The approval of the companion proposals does not require the City Commission of Gladstone to construct a steam-powered electric generating plant. It merely authorizes the city government to solve the

problem in this manner if the commission decides that this is the best solution.

Undoubtedly the officials of Gladstone will study the problem from every angle before proceeding with any plan for meeting Gladstone's electric problem.

Gladstone's contract for power with the Upper Peninsula Power and Light Company expires several years earlier than the contract held by the City of Escanaba. Thus, the problem for Gladstone is more acute than Escanaba's because of the time limit.

The Alger-Delta REA has proposed construction of a plant to sell surplus power for a limited period of time to both Gladstone and Escanaba. The proposition is, at best, a stopgap solution for the two cities. Certainly it would not be conducive to industrial expansion in the face of an uncertain power source.

Escanaba's contract for electric power expires in 1958. Deducting the time necessary for planning and construction a plant of the size that would be needed to serve this city, we still have a limited period of time in which to study the problem completely and to arrive at a proper decision, but we do not have time to waste. The problem is important and it is complicated. The decision that will ultimately be reached will be a major factor in determining an important phase of Escanaba's future.

It involves not only securing a reliable source of electric power to meet today's needs, anticipated future needs and industrial expansion, but it also involves the financial problems of city government, too. This is true in Escanaba where the city electric utility last year yielded a return of nearly a quarter of a million dollars for city government. This lush revenue may not be possible in the future when electric power costs are higher than they are now, an inevitable situation.

Painful Failing

THE hotel managers in Bermuda must be frantic. The representatives of the Big Three Western powers had to cancel space once for the impending meeting between these countries. France couldn't find anybody to make the trip. Now the meeting is "on" again, for July 8. But the hotel men don't know if it will be postponed again.

For a month the French have been without a premier. Recently President Auriol summoned a committee of former premiers hoping they could somehow find a way to submerge the headline differences between French parties which are blocking the way to a new government.

The committee had no luck. The French are evidently not ready to face the world as it is. They would rather pour into the streets to declaim against "American injustice" in the Rosenberg case. It takes their minds off the painful fact of their own failing.

Power With Words

By Dr. C. E. Funk

"Oils and gouaches reflecting the artist's recent impressions of Spain." So read the announcement of a forthcoming exhibit that met my eye.

Yes, it is in the dictionary. English and American artists pronounce it "gwahsh," though that may not be exactly the way a Frenchman would speak it. And it is defined, "A method of painting with opaque colors ground in water, and mixed with gum and honey so as to form a sort of paste." The method is not new; it has been employed for many years. Very likely those readers of this column who are either artists or collectors are thoroughly familiar with it.

The French borrowed the term from Italian guazzo, a word that was derived from Latin aquatio, a pool or watering-place, or a watering.

Then there is genre. How many who are not "up" on the language of art are baffled by the term? This, too, is a French word, with the Americanized pronunciation "ZHAWN-ruh." Its literal meaning is "sort, kind, species," derived from the Latin genus with that meaning. But, five or six generations back, art lovers began to apply the term to a style of painting devoted to ordinary life, to common people or commonplace scenes. "Genre canvases," as Edmund C. Stedman wrote, are those "whereon are painted idyls of the fireside, the roadside, and the farm pictures of 'real life.'"

And when an artist speaks of distemper, he'd be shocked if he knew that you thought he referred to a disease of dogs. To the art world, distemper means a method of painting. The term is from an Old French word that meant "to dissolve in liquid; mix." Used by artists it refers to painting in colors which are mixed with some glutinous substance, such as egg-yolk mixed with water, or size, or the white of an egg. The ground used for such a painting is usually plaster, so distemper is the medium generally employed in murals.

The Doctor Says . . . Multiple-Birth Babies Have Improved Chance of Living

By EDWIN P. JORDAN, M.D. — Written for NEA Service

The image of a shocked father falling over in a dead faint after receiving the announcement from nurse or doctor that his wife has given birth to triplets has been the subject of innumerable cartoons and jests. No doubt, parents have actually had this experience do not think it is so funny, but today, thanks to the use of the X-ray, the blow is more likely to fall before rather than after delivery.

The subject of multiple human births, however, is a fascinating one. The birth of quintuplets in particular produces international excitement. Up to now, however, so far as is known, only one set of quintuplets—the Dionnes—has survived past infancy.

It is estimated that quintuplets would be expected about once in 57,000,000 births. This would mean that there should be quintuplets born in the United States about once every 30 years.

The chances of having quadruplets is about one in 650,000 births; triplets would be expected once in some 7500 births. Twins are relatively common and occur in about one out of 87 births.

There are two kinds of twins. Fraternal twins are the result of the fertilization of two eggs. Such twins may be of the same or of opposite sex. Except for having the same birthdays, they may be as different from each other as any other brothers or sisters, both physically and mentally.

Identical twins are the result of the fer-

tilization of a single egg which later divides. Identical twins are always of the same sex and are much alike in both physical and mental characteristics. One twin is really the mirror image of the other. There are apparently about one-fourth as many identical twins as there are fraternal twins.

Twins are apparently neither superior nor inferior to other people. The mental and physical development of identical twins is, however, much alike. Fraternal or non-identical twins, on the other hand, tend to become more different in mental traits as they grow older.

PREMATURE BIRTH

There is a tendency for twins and other multiple children to be born prematurely. This means that they are comparatively poorly developed at the time of birth and therefore have a lesser chance of living past infancy. This is true also for other multiple births.

There is a considerable number of triplets and some quadruplets who have lived to full maturity. Doubtless more and more will do so now that so much has been learned about infant and child care and the hazards of infectious disease during childhood have been so greatly reduced.

The higher death rate at or soon after birth, however, explains why one sees fewer twins, triplets or quadruplets than the birth statistics would lead one to expect.

Merry-Go-Round

By DREW PEARSON

WASHINGTON—When German crowds faced Red Peoples' police in East Berlin, threw rocks and logs into the tracks of tanks, burned the pictures of Stalin, one complaint they hurled at their Red masters was "butter."

East Germany long has been the food bowl of Germany. West Germany, with its heavy industrial population, depended on East Germany which overflowed with wheat, milk, butter.

But under Red rule East Germany's food wealth has been: 1, siphoned off into Russia; 2, trampled in the mud of discouragement by Soviet farm quotas. Last Winter in Berlin I talked with refugee after refugee who had left family farms owned for centuries—all because Communist quotas were impossible to meet. So crowds in the street, fighting Soviet tanks with bare hands, sticks and stones, taunted their Red rulers with: "Butter!"

HEAVEN-SENT MOMENT

Two facts should be obvious from the above:

A. Now is the time for the Eisenhower Administration, elected on the pledge to do something behind the Iron Curtain, to act. In speech after speech, both John Foster Dulles and the President himself decry the static policy of the Truman Administration, said the cold war should be ended by stirring up peoples behind the Iron Curtain.

B. The United States now has on hand 245,561,000 pounds of butter acquired at the taxpayers' expense, which probably cannot be dumped on our own market without ruining farmers and which will not keep indefinitely. Eventually butter gets rancid. A modest amount of this surplus sent to Berlin right now would give the Reds the heebie-jeebies.

Berlin is a city in which it is extremely difficult to prevent people from passing back and forth between east and west. I have crossed back and forth into the Soviet zone a dozen times. Several thousand people cross back and forth daily on their way to work.

If the Russians refused to admit into East Germany a gift of free butter from the U. S. A., it would be a simple matter for the giant U. S. radio station in Berlin, RIAS, to announce that East Berliners could come across the line and get it.

The same could be done with excess wheat, now stored away in decrepit ships in the Hudson river. A million loaves of bread require a relatively small amount of wheat. Yet a million loaves of bread in Berlin right now might take East Germany permanently out from under the Iron Curtain.

DEAD WALL OF INACTION

However, when American relief agency officials have approached Secretary of Agriculture Benson on these problems they have got nowhere. Secretary Benson as a most sincere and religious gentleman. Twice when an American relief agency chief has called on him regarding the disposal of our giant stores of surplus food, the secretary of agriculture has asked him to bow his head in prayer. But he has given no answer about releasing a small part of our surplus food.

Last week, certain farmers wanted to donate wheat themselves to help send a million loaves of bread to embarrass the Reds in Berlin. But Harold Stassen could not even be reached on the telephone to say whether his Mutual Security Administration would help pay the ocean freight.

In the past, Mutual Security has helped out with the ocean freight when individual Americans contributed to relief abroad. But Stassen would not even take telephone calls, though repeated efforts were made to reach him.

OTHER SIDE OF YALTA

Meanwhile people behind the Iron Curtain are still smoldering, still hoping for some token of support. Free elections are supposed to be guaranteed them under the Yalta pact. So far, we have taken the raw end of Yalta. Now we have an opportunity to push the other end in a way which will cause great embarrassment in Moscow, great encouragement in Czechoslovakia, Hungary, Poland, East Germany, Rumania.

The above is written by one who two years ago went to the Czech border to help release freedom balloons to the Czech people. Those balloons, carrying messages of friendship, stirred up the nation; caused a Czech Freedom Train to bolt across the borders, unquestionably contributed to current ferment. If more leaflets scattered from balloons can do this, imagine what a million loaves of bread and a few tons of surplus butter could do in Berlin!

Tipping is barred in many restaurants. Fine, if it doesn't become upsetting.

Into The Past

10 YEARS AGO

Escanaba—The Federal Bureau of Education gave notice here that a class in chemistry conducted here would be discontinued unless the present membership of eight was increased to 10. This was a free course of training to qualify the students as technical analysts in chemical laboratories and defense plants.

Escanaba—Three motorists were penalized for using supplemental gasoline ration coupons for pleasure driving. Their gas coupons were revoked.

Gladstone—Clifford Burt returned from Great Falls, Mont., to spend a two weeks furlough with his parents, Mr. and Mrs. R. W. Burt. He came to attend the golden wedding anniversary of his parents.

20 YEARS AGO

Escanaba—Lieut. Walter Arntzen and Mrs. Arntzen will go to Menominee for the week end air races to be held at the Menominee county airport. Mrs. Arntzen and Mrs. Jack Spencer, also of Escanaba are the only women flyers in the Upper Peninsula.

Manistiquie—Three World War I veterans, Henry Eakly, Henry Stenstrom and Charles Buller, have been selected to enroll in the veterans contingent of the CCC. They will soon leave for training at Fort Brady.

Doggone Embarrassing, What?

Egyptian Farmer Works Week For Price Of Carton Of Fags

By FRED SPARKS

NEA Staff Correspondent
CAIRO (NEA)—Imagine working all week for the price of a carton of cigarettes!

That's the payoff for millions in the Arab Middle East, many of them citizens of this newest of the world's republics. Their razor-thin slice of the world's prosperity pie is the basic reason why any political big mouth who'll promise three squares can send a mob on a house-burning, throat-cutting spree.

As you read about U. S. concern for the Suez Canal, the desert oil fields and Middle East defense, you should know something of the area's citizens, for people are politics.

To meet an average Egyptian I motored 25 miles from Cairo along the River Nile. For 6000 years before the first electric blanket this river has watered the only substantial Egyptian soil. (From the air the Nile Valley looks like a green ribbon of toothpaste on and endless sand-white carpet.)

Near the river we stop by the half-acre farm of Abdullah Ififi, one of 14 million Egyptian farmers who scratch for the skin-thin life. We see a water buffalo cow with a blindfold over her eyes walking in an endless circle threshing grain with an ancient wooden wheel contraption.

Ififi's smallest son, naked as a picked chicken, straddles the beast, the family's most precious property. I'm told the animal is blacked out because if he sees she's getting no place after days of endless plodding she'll go stir crazy.

Irrigation ditches fork from the Nile like veins; cut us through Ififi's lot. Two of his daughters (who'll never use lipstick) pump ditch water for the wheat field using two tightly woven baskets fixed on a pole. It's a 14-hour-daily drudge that would exhaust Charles Atlas.

Ififi's one room house, large as 15 sedans tightly parked, is made of dried Nile mud with a doorless break for air and entrance. Besides the family there are hundreds of flies buzzing collectively like a B-29 and sticking to your face until slapped dead.

Some personal odds and ends are pitched in a corner but there's not a stick of furniture. The family's clothing consists of a few sheets of wraparound white cloth, and some peppermint striped pajama outfits.

The market possibilities of a revived Middle East shake the trader: If each shoeless citizen could buy one pair all our shoe factories would work overtime and give Christmas bonuses.

The Ififis' sleep on pressed corn stalks and Mom cooks on a kerosene lamp every other day, fuel being that costly for their thin wallet.

The menu lists unleavened bread, raw onions and beans. Meat is a vaguely recalled dream. The water buffalo contributes milk and cheese. The dreary diet, plus the fly-borne germs, is why no Ififi expects to celebrate a 50th birthday.

Introduce Ififi to an average American home and he'd be as confused as his water buffalo. He couldn't flip the light switch or open the refrigerator and the mad movements on the TV screen

would give him the shakes.

But he is used to sights that would give you the shakes—his own primitive existence, the everyday sight of other fellows like himself, harnessed to sailing ships they pull along the desert canals.

Every few weeks he goes to town for the luxury of a thimble of Turkish coffee. There he hears cafe chatterboxes comment on Mohamed Naguib, Egypt's strong man, whose promises of plenty are blocked by the simple truth

of too many people for too little good earth.

Unable to read a paper, Ififi can't tell you what the U. S. is, where or why.

He has only one surplus: hate. He hates foreigners, blindly blaming them for all ills. He particularly hates the neat, strapping British tommies who speed by en route to the Canal Zone.

Given the word from the minaret, given arms, he and his sons would pitch violently into a holy war for misty reward. If they are killed? "As Allah wills it."

Here let me do that. That'll give you a case of heart trouble.—Walter H. Whitaker Jr., takes spade from elderly officer, to dig up body of girl he is charged with murdering.

Let us give them (the government) credit for this much, they did what they thought right.—Rabbi Abraham Cronbach, at Rosenbergs' funeral.

Just imagine, me playing short for the Yankees. This is sure wonderful.—Willie Miranda, purchased by Yanks from the St. Louis Browns

I'm just going to have a good time.—Ex-President Truman, explains his visit to Washington.

Good Evening . . .

By CLINT DUNATHAN

THE HELPING HAND—Cost of the construction of a bridge spanning the Straits of Mackinac is estimated at \$90,000,000.

The bridge would be vitally helpful to the economic development of Michigan and the upper Great Lakes states. But the project may go begging because of lack of private financing.

Meanwhile the Senate of the United States of America, without one single cut voted on the floor, is planning final approval of a \$5,318,000,000 foreign aid program.

Thus the United States goes on its way of giving to others, while virtually ignoring projects of vast economic importance—the Straits Bridge and the St. Lawrence Seaway are examples—to the people of America.

Apparently the leaders in the Senate and the House have never heard that charity should begin at home.

SHARE THE WEALTH—This nation, in my opinion, should assist friendly foreign countries in financing projects beneficial to the people; but it should draw the line in limitless giving of grants without thought of repayment.

This sharing of American wealth should be geared to the realities of dollars and cents as well as to the ideal of brotherly love.

But in the Senate the other day an amendment proposed by Sen. Dirksen of Illinois was rejected—an amendment that would have required that one-half of the military aid to Europe be in the form of loans rather than grants.

What's wrong with a loan to Europeans? Although the loans made in the past were never fully repaid (except in the case of Finland) the morale effect was excellent. The whole world knew, at least, that U. S. dollars were going to Europe.

Today's foreign aid spending receives little publicity and small thanks.

FRENCH SEAWAYS—This column is not a plea for a federal grant to construct the Straits of Mackinac Bridge.

It is a questioning of the attitude of our Congress in granting unlimited U. S. taxpayers' dollars for projects in foreign countries.

Richard B. Frost, writing in Inside Michigan magazine in May of 1952, reported on the expenditure of American dollars to finance a French Seaways project while the St. Lawrence Seaway project goes begging.

Opponents of the St. Lawrence project are loud in their opposition—but none raise their voice to protest vastly larger expenditures in foreign aid. Frost roused the ire of Mutual Security Agency officials with an article titled "Congress Spends Billions for French Seaways—But Not One Cent For Our Own St. Lawrence Project!"

In reply to MSA protests, Frost reiterated that the waterways program in Europe "will cost billions of dollars" and that the United States is "presently financing 90 per cent of the cost of this construction."

Incidentally, U. S. foreign aid dollars went into the Rhone River project after French taxpayers had twice turned it down, Frost reported.

LOANS AND GRANTS—Both the Straits of Mackinac Bridge and the St. Lawrence Seaway are designed to be self-liquidating, that is they will pay for themselves over a period of years.

Both in effect would be toll projects with users paying a fee. In addition the Seaway would produce power in hydro-electric plants.

We offer the following proposal as a possible solution to the Straits Bridge financing problem:

Let the Straits Bridge Authority submit to the proper federal agency an application for a loan of \$90,000,000, or in the amount necessary to construct the bridge.

The loan would be amortized from revenues, of course, and the revenues would accrue from toll fees assessed users of the bridge.

We believe that such a proposal does not encourage government to unwarranted and extravagant expenditures, but rather places a premium upon closer examination of public projects to determine whether loans, rather than "pork barrel" grants, might be the better solution to their financing.

And above all it might sharpen Congressional thinking into recognition of the fact there does exist a need for domestic as well as foreign aid.

UNCLE EF

There's nothing so discouraging to a politician as to have a stem-winding-until-the-flag Fourth of July speech all ready and then nobody asks him to deliver it.

Kenneth R. Carlson Will Wed Miss Shirley Creighton

Kenneth R. Carlson, son of Mr. and Mrs. Herman G. Carlson, U. S. 2-41, will claim Miss Shirley Creighton as his bride in a ceremony Saturday, July 4, at 4 p. m. at the Ev. Covenant Church in Escanaba.

Miss Creighton is a daughter of Mrs. Constance Larkman of 10932 Chelsea, Detroit.

The Rev. Wesley Carlson, brother of the bridegroom, will solemnize the marriage service, assisted by the Rev. John Anderson, Covenant pastor.

An open reception for guests at the wedding and all other friends of the Carlson family will be held in the church parlors immediately after the ceremony.

Births

Mr. and Mrs. Henry J. Lippens of Rock are the parents of a daughter, Rose Mary, their third child, who arrived June 30 at St. Francis Hospital. The baby weighed 6 pounds and 14 ounces.

Mr. and Mrs. James A. Kennedy of 606 S. 9th St. are the parents of a son born at St. Francis Hospital June 30. The baby, the second child in the family, weighed 5 pounds and 5 ounces. He will be christened Michael Patrick.

A daughter who weighed 5 pounds was born to Mr. and Mrs. Otto B. Mattson of Escanaba Rte. 1 June 30 at St. Francis Hospital. The baby is the fourth child in the family. Her name is Shelby Jean.

Mr. and Mrs. Russell J. Case of Rapid River are the parents of a daughter, their first child, born June 30 at St. Francis Hospital. The baby's weight at birth was 7 pounds and 12 ounces.

A son who weighed 7 pounds and 7 ounces was born to Mr. and Mrs. Alfred J. LaVigne of Bark River Rte. 2 June 30 at St. Francis Hospital. The baby, the sixth child in the family, will be christened James Alfred.

Mr. and Mrs. Elmer J. Sundquist of Bark River Rte. 1 are the parents of a son born at St. Francis Hospital July 1. The baby weighed 7 pounds and 14 ounces at birth. He is the sixth child in the family.

Mr. and Mrs. Wallace Chroge of 613 N. 7th St., Gladstone, are the parents of a son who weighed 7 pounds and 2 ounces, born at 8:13 a. m. today at St. Francis Hospital. There are 10 other children in the family.

Rock

Mr. and Mrs. James McDonnell and son Steven, Chicago are visiting her mother, Mrs. Ida Jokela for about a week.

Miss Gail Ramseth has returned home after visiting in Detroit a week with Mr. and Mrs. Joe Orlando.

Duane Vandebusch returned home from Milwaukee after spending a week with Mr. and Mrs. George White. While there he attended a three game series of the Milwaukee Braves and Brooklyn Dodgers.

Wallace, Orville and Jane Lunderville, and Barbara McLautin, Merrillan, Wis., are spending a few days with Mr. and Mrs. George Vandebusch. When they leave, Miss Judy Vandebusch will accompany them to Merrillan to spend a week with relatives.

Clarence Lusardi went to Bellin Memorial Hospital in Green Bay for a checkup Monday. He is not able to work as yet.

Mr. and Mrs. A. J. Bladecki and Mrs. Clara Johnson have returned to Saginaw after spending a week with George Lusardi.

Mrs. E. Mossak and Mr. and Mrs. Kenneth Fick, Minneapolis, Ernest Mossak, Schofield, Wis., and Miss Hermine Mossak, Chicago, visited with Mr. and Mrs. Ted Black several days. They also stopped at the Albert Weldums for a brief visit.

Mr. and Mrs. David Trudell, Oconto Falls, visited with Mr. and Mrs. Francis Trombly for a few days.

Mrs. Celia Wright and Mrs. Emma Carter, Green Bay, and Abe Trudell, Oconto Falls, Wis., visited for a few days with Mr. and Mrs. Stephen Rabideau.

Judy Rabideau, Escanaba, is spending a week with her grandmother, Mr. and Mrs. Stephen Rabideau.

Wind Storm Damage

The roof on the home of Philip LaCasse was damaged during the windstorm Tuesday. A window was broken at the Al Sindt home, and part of the building of the former Matt Poglieri place was blown down.

THE FORMER Shirley MaKosky, daughter of Mr. and Mrs. Charles MaKosky, Escanaba Rte. 1, and Lawrence Beauchamp Jr. spoke their marriage vows in a ceremony June 27 at Holy Family Church in Flat Rock. The newlyweds will live in Gladstone. (Ridings Photo)

Social-Club

Isabella Meetings

The Daughters of Isabella business meeting will be held July 13 and the annual summer outing July 27. Both dates are incorrectly listed in the Isabella year book.

Germfask

GERMFASK — Mrs. Bertha Knages and grandson Phillip Parish of Lincoln Park are spending a few days here.

Mrs. Charles Burton returned here from Lansing Saturday.

Sam Mills Of Escanaba Again 'Best Boy Camper'

Sam Mills, son of Mr. and Mrs. Barnett Mills of 1111 N. 16th St. was voted the best boy camper for the second year in succession at the Episcopal Senior High Young People's Conference at Little Lake this past week. Among the 50 campers also attending were Miss Mary Lou Anderson of Escanaba and Miss Patty Chase of Bark River representing St. Stephen's church and Miss Pat Ellington of Trinity Church, Gladstone. Sunday, these students will give a brief report on the conference during the morning service.

The Very Rev. William A. Robertson, Rector of Trinity Church, Iron Mountain, again served as director, with the Rt. Rev. Herman R. Page, Bishop of the diocese of Northern Michigan, as chaplain.

The representatives came from throughout the Diocese.

Others on the faculty were the Rev. Herman R. Page, Vicar of St. Mark's Church, Crystal Falls and St. John's Church, Iron River; Fr. W.P.D. O'Leary, formerly of Trinity Church, Houghton, now rector of Trinity Church, Grand Ledge, Mich.; the Very Rev. Dudley B. McNeil, rector of St. James' Church, Sault Ste. Marie; and Bishop-elect of Western Michigan; the Very Rev. John A. Alford, rector of St. Paul's church, Marquette; and the Very Rev. Joseph S. Dickson, rector of St. Stephen's Church, Escanaba. Also Mrs. Stanley Brehm, of Dayton, O.; and Robert Matthews and John Heidbrink, theological students, from the Episcopal Theological Seminary, Cambridge, Mass., who are spending the summer in this Diocese.

Mrs. Esther White, R. N., of Toledo, O. was camp nurse, and Mr. and Mrs. Tom Perry, of Crystal Falls, were in charge of the dining room.

The Very Rev. Joseph S. Dickson will return to the Conference Center next week as a member of the staff for the Junior High

Vacation Bible School To Be Held At St. Stephen's

A vacation Bible School will be held at St. Stephen's Episcopal Church at 3rd Ave. S. and 6th St., on the week days of July 20-24 and 27-31. Classes will begin at 9 a. m. and conclude at 11:30 a. m.

Mrs. Catherine Locke will be in charge with the assistance of members of the church.

There will be classes for the age group 3-12 and any interested child whether connected with St. Stephen's or not is urged to attend.

Enrollment blanks have already been sent out and the rector, the Very Rev. Joseph S. Dickson, requests that these be returned to him as soon as possible.

Teen-Agers Program At Country Club

Friday evening's fish fry at the Escanaba Golf and Country Club, a "Red, White and Blue" holiday party will be featured by an entertainment by a group of Escanaba's talented teen-agers. "Teen Talent Treat" will be presented by Don Marrier, cornet, and Clyde Robinson, trumpet. Other numbers will be vocal duets by the Santimore twins, Judy and Joan, and piano selections by Irma Paul. The program begins at 9:30.

Church Events

Cornell Social Sunday

The Ladies Aid of the Cornell Methodist Church will conduct a fellowship hour and social at the close of the evening services Sunday.

Central Board Meeting

The official board of Central Methodist Church will meet Monday at 6:30 p. m. at the Wilmore Berglund cottage at Garth Shores.

1/2 cup lemon juice
1/2 cup sugar
1/4 teaspoon salt
6 cups Fairmont Milk
Mint leaves

Personals

Miss La Verne Karasti of Rapid River, deputy county treasurer, has resumed her duties after returning from her vacation. She went to Boston, Mass., with the Luther League.

The Rev. and Mrs. James G. Ward have returned from a three weeks' vacation motor trip through Canada. They visited relatives and friends at Montreal, Three Rivers and Shawinigan Falls and at other points in Quebec.

Mr. and Mrs. George M. Nolden, 1421 11th Ave. S., returned yesterday from a week's visit in Rochester, Minn.

Al C. Don Ashland left today for Scott Field, Ill. where he will begin advanced radio studies. Don, who previously had been stationed at Pope A. F. B., N. C., spent a 10 day furlough at the home of his parents, Mr. and Mrs. Marcell Ashland, 613 S. 12th St.

Mr. and Mrs. Kenneth Hellmann and children, Pam, Randy and Peter, have returned to Harvey, Ill., after spending a week with Mrs. Hellmann's parents, Mr. and Mrs. Harold Johnston, 1213 Washington Ave.

Earl F. Lang of South Pasadena, Calif., who has been the guest of Harry Larson the past month, at the Larson family home, 1201 8th Ave. S., and their summer home at Spread Eagle, Wis., is leaving tomorrow on his return to the West Coast.

Mary and Elizabeth Eldred, daughters of Mr. and Mrs. Howard Eldred, 320 S. 18th St., are spending several weeks at the home of their grandparents, Mr. and Mrs. Howard H. Eldred in Rockford, Mich.

Harold Blomberg will arrive by plane from Chicago tomorrow for a vacation visit with his brother-in-law and sister, Mr. and Mrs. Walter Doehler, 810 Ludington St.

Mrs. Howard Eldred had as her guest recently, a former classmate

Conference. Eight youths from St. Stephen's will attend.

Miss Louise Roderick, a dietitian in Strong Memorial Hospital, Rochester, N. Y., who is on a vacation trip through the Upper Peninsula.

Miss Myrtle LeMire, Miami Beach, Fla., has arrived to spend her vacation at the home of her mother, Mrs. William LeMire Sr., 421 2nd Ave. S. Another daughter of Mrs. LeMire, Mrs. Edward (Kathryn) Cressell of Evanston, Ill., has arrived for a visit.

Attorney and Mrs. Rollo E. Kidwell and daughters, Sue and Molly, of Dallas, Tex., are arriving this weekend for a vacation in Northern Michigan and will be guests of Mr. and Mrs. John O. Moberg at their cottage at Garth Shores. They are making the trip by way of Santa Fe, N. M., where Mr. Kidwell had legal business earlier in the week, and Denver, Colo.

Mr. and Mrs. Ray LaFleur, 1214 S. 14th St., and Mrs. Fred LaFleur, 321 N. 20th St., have returned after visiting in Sault Ste. Marie and in Canada.

Mrs. Robert Blakely of LaCana-

ada, Calif., have arrived here for a two weeks' vacation visit with Mrs. Blakely's parents, Mr. and Mrs. Richard Arnsen. Mrs. Blakely is the former Camilla Arnsen.

Clyde Anderson is arriving tomorrow by plane from Chicago to visit at the home of his parents, Mr. and Mrs. C. E. Johnson, 517 Ogden Ave.

The Rev. and Mrs. Ivar Sonnack who have been visiting Mrs. Sonnack's parents, Mr. and Mrs. Richard Arnsen, 1924 8th Ave. S., left yesterday for their home in New York City. Mrs. Sonnack is the former Ruby Arnsen.

Mrs. M. B. Lithgow of Barrington,

Ill., the former Mary Cuthbert of this city, arrived here last night to attend the reunion of Escanaba High School class of 1923. She is a guest at the home of Mr. and Mrs. L. A. Danielson, 2002 S. 3d St.

Both onions and carrots are delicious when cooked and glazed. Serve cooked cabbage in a cream sauce that has been seasoned with Worcestershire.

Mother Ill, Sees Her Baby On TV

LOUISVILLE, Ky. (AP)—A 3-month old baby, Randolph Lee Bowles, will be the star of a special television program today.

His 22-year-old mother, ill of tuberculosis, will get her first closeup view of the son she never has cradled in her arms.

Mrs. Ralph C. Bowles has been a sanatorium patient since a week after the youngster was born April 6.

The video arrangements over WAVE-TV were completed Wednesday. All Mrs. Bowles could say was: "Wonderful... Wonderful."

The baby's debut was scheduled after his mother placed second in a contest for the best letter on "How I met my husband."

Unable to appear on the program to accept her prize of an electric mixer, Mrs. Bowles asked her sister, Mrs. Eugene Bragdon, to substitute and bring home Randy.

The mother got a glimpse of her son once through the maternity ward window at a hospital where he weighed only 5½ pounds. Another time she was able to wave to the dimpled, blue-eyed child from the second floor of the sanatorium while he was held below by Mrs. Bragdon.

Randy's birth was induced a month early to permit Mrs. Bowles' transfer to the sanatorium. She developed tuberculosis while on Guam with her husband, an Air Force lieutenant now stationed at Wright-Patterson Air Force Base, Dayton, O.

THOSE IN UNIFORM

Pfc Gerald Roger Micheau has been advanced to the rank of corporal, his parents, Mr. and Mrs. Joseph Micheau of Escanaba, Mich., have been advised. He is serving in Korea and expected to leave for the States in August.

Army M/Sgt. Melvin A. Johnson, whose wife, Phyllis, lives in San Leandro, Calif., recently arrived in Korea for duty with 491st Quartermaster Petroleum Depot Company. M/Sgt. Johnson, son of Mr. and Mrs. Axel Johnson, 516 S. 17th St., Escanaba, is first sergeant of the company. A veteran of nine years of Army service, he holds the Purple Heart. During World War II, he served in the Asiatic-Pacific theater.

Aging East German President Dragged Into Soviet Crisis

BERLIN (AP)—The Russians dragged East Germany's aged President Wilhelm Pieck out of obscurity today to sound another call for German unity. Pieck's resurrection looked like new testimony that all still was not well across the German-splitting Iron Curtain.

The Red Army newspaper Tagliche Rundschau devoted its whole front page to the 77-year-old titular head of the East zone government—photographs of him talking to party comrades in the Soviet Union, a flowery tribute and an article, signed by him, calling for: 1. An end to the economic and political ailment which brought on the bloody workers' uprising in the Soviet zone; and,

2. Creation of the necessary atmosphere for all—German approaches—Communists version—to the reunification of the divided country.

For months Pieck has been completely in the background while

Five New Prams Are Christened Here

Following a picnic supper at the Yacht Club, five new prams were christened and launched in the Yacht Harbor in front of the club house.

Owners and names of their prams are as follows:

Rosie Jr., owned by the Harold Gasman; Yankee Jr., owned by the Ed Erickson; Four Splinters owned by the I. H. Woods; L F S owned by the Lowell Sundstrom; and Doodle owned by the Russell Johnsons.

The first pram race of the season followed the launching. The crowd on shore rooted for their favorites in a race which had all the elements of a big time race but distance. Even the start was "official," with the starting flags and the regulation cannon used.

Weather permitting, the next pram race will be held on July 8, Wednesday evening, preceding the regular monthly meeting of the Yacht Club. Members are invited to bring their own picnic suppers down to the club on Wednesday evenings and to watch the races which will be held there.

The results of the first race followed: Doodle, skipped by Dave Johnson, 12 minutes; Yankee Jr., piloted by Jim Johnson, 15 minutes; Four Splinters, captained by Dick Gasman, 15 minutes; 2 seconds; LFS, skipped by Fred Sundstrom, 17 minutes; and Rosie Jr., captained by Dave Gasman, untimed.

Class of 1923 Reunion Friday

The Escanaba High School Class of 1923 will hold its 30-year reunion Friday evening, July 3, at the Dells Supper Club. Dinner will be served at 7 p. m. and will be followed by the reunion program.

An afternoon reception will be held at the home of Mr. and Mrs. John Lemmer, 901 Lake Shore Drive.

J. Alton Mallmann of Escanaba will be Master of Ceremonies of the reunion program. The roll call of the class will be read by Alfred Lawrence of Escanaba. George King of Wells will lead the group singing of Eskey High songs. Mrs. Eleanor Carlson Schuster of Manistique will present a short talk titled "Reminiscences", and John A. Lemmer, '23 class advisor, will give a few remarks. The class statistics will be given by Wallace Starrine.

Committees Selected

Presentation of awards will be made by Stanley Ostman, and class pictures will be shown on the screen by Hubert J. Bray of Gladstone.

Charles Folio served as general chairman for the reunion. Those assisting him were Hubert J. Bray, Wallace Starrine, Elmer Sanders, Cecile LaPointe Meier, Bernadette Boyle Schmitt, Myrtle Hanson Nicholson, Vendela Sundquist, Irene Tushak Bartel, Stanley Ostman, J. Alton Mallmann, Alfred Lawrence, George King, Sidney Lambert, Bertil M. Stade, Harlan Yelland and Ernest C. Flath.

From Out Of Town

Members of the class and wives and husbands who are out-of-town and have reservations for the reunion are Mr. and Mrs. Ralph L. Anderson, Marquette; Mr. and Mrs. Ted Anderson, Chicago, Ill.; Harold D. Beaton, Washington, D. C.; Mrs. Walter Bergman (Edith Sandborn), Rhinelander, Wis.; Mrs. Robert Blakely (Camilla Arnsen), LaCadena, Calif.; Dr. and Mrs. Roger Chenoweth, Peterborough, Ontario; Mrs. E. G. Cressell (Catherine Lemire), Evanston, Ill.; Mr. and Mrs. Ronald (Edna Bloom) Fiegel, Manistique; Mr. and Mrs. T. W. Holmes, Caspian, Mich.; Miss Edna Johnson, Detroit; Dr. and Mrs. Harvey J. Jorgenson, Miami, Fla.; Mr. and Mrs. Eric H. (Ruby Canfield) Kallman, Crystal Falls, and Mr. and Mrs. Carl E. Lindberg, Milwaukee.

Mr. and Mrs. Alfred Livingston, Detroit; Mr. and Mrs. Keith Louder (Val Verda Anderson), Lansing; Miss Genevieve Manley, Chicago; Mr. and Mrs. Leo B. McGuire, Milwaukee; Dr. and Mrs. William Meier, Sheboygan, Wis.; Mr. and Mrs. Carl R. Nord, East Detroit; Miss Genevieve Olson, Temple, Tex.; Miss Lucille Ranguette, Chicago; Mrs. Helen (Henderson) Sansbury, Rhinelander, Wis.; Mrs. Otmer (Eleanor Carlson) Schuster, Manistique; Mr. and Mrs. Nicholas J. Wolfe, Gary, Ind.; and Mrs. M. B. (Mary Cuthbert) Lithgow, Barrington, Ill.; Mr. and Mrs. Hubert J. Bray, Gladstone, and Mrs. Edward (Ethel Ekstrom), Cornell.

'March Of Freedom' Brochure Signed By Eisenhower Today

WASHINGTON (AP)—President Eisenhower signed today to a solemn declaration that "the heritage of freedom which we cherish as Americans is from God."

The signing of the large leather-bound brochure touched off a year-long "March of Freedom" sponsored by the National Association of Evangelicals "to emphasize the fact that freedom depends on faith in God."

Earlier, the President issued a proclamation calling on Americans to observe July 4 as a day of penance and prayer.

Eisenhower remarked in reference to the document, "The fundamental ideas expressed here are the foundation stones of our country. This is a deep, profound and simple idea—like most great truths."

The declaration, to be signed later by other leading government officials, cites the seven "divine freedoms" guaranteed in the 23rd Psalm—freedom from want, from hunger, from thirst, from sin, from fear, from enemies and, finally, the freedom to live abundantly.

A group of clergymen and laymen active in the "March of Freedom" attended the signing ceremony.

The association sponsoring the declaration describes itself as a voluntary association of denominations, individuals and local churches comprising approximately 10 million Americans of Protestant faiths.

New Hampshire Fires Blazing Seven Days

CONCORD, N. H. (AP)—State officials today sought federal funds, firefighting forces and equipment as four states battled to halt the ravages of several New Hampshire forest fires, some of which have been blazing for seven days.

Gov. Hugh Gregg appealed to President Eisenhower for \$100,000 in federal funds after reporting that all available state, county and city funds already have been committed in the firefighting effort.

Gregg informed the President that more than 4,000 acres in Central New Hampshire and the White Mountains have been destroyed in 29 fires caused by lightning since June 22.

Not all graves of former U. S. presidents are guarded. It depends on circumstances whether or not there is a guard at the grave.

PVT. RAY W. ROBERTS, son of Mr. and Mrs. Raymond Roberts, 1212 Superior Ave., Gladstone, Mich., has completed basic combat training at the Signal Corps Replacement Training Center at Camp Gordon, Ga.

Democrats Make Last Try For Big Air Force Budget

(Continued From Page One)

President Eisenhower extended his disaster area proclamation for Texas and Oklahoma yesterday to include parts of Colorado, New Mexico, Kansas and Arkansas.

Livestock men will share an eight million dollar emergency fund to help them buy government-owned cottonseed meal oats, corn, wheat and other livestock feed at below market prices.

B. F. Vance, Texas chairman for the Production and Marketing Administration, said feed should be moving onto the ranches of dusty West Texas by Monday.

The railroads' Western Traffic Association in Chicago put into effect a 50 per cent reduction in freight rates on livestock feed shipped into designated drought areas.

The government began buying canned beef to support sagging prices.

In Washington, chairmen of Senate and House Agriculture Committees planned to begin hearings Monday on identical bills setting forth the administration drought relief program and proposing special loan programs.

Auto Accidents May Take Lives Of 290 Over July 4 Weekend

CHICAGO (AP)—The National Safety Council estimated today that 290 persons could be killed in auto accidents this Fourth of July holiday week end.

The council also estimated that 40 million American motorists will burn up about 27,000 railroad tank cars of gasoline in traveling a total of about four billion miles during the two-day holiday.

"Speed is the principal factor in serious accidents," said Ned H. Dearborn, council president. "It works two ways—gives you less time and less control in an accident situation and greatly increases the chance of death or serious injury if an accident does happen."

"Speed control is self-control. So slow down and live."

White House Staff Gives Eisenhowers Anniversary Party

WASHINGTON (AP)—Usually when President Eisenhower returns from playing golf he goes directly to his White House living quarters, but yesterday he was maneuvered into going back to his office for a while.

The reason: A surprise buffet party was in preparation and nobody wanted him barging in to spoil the surprise.

The occasion: the 37th anniversary of his marriage to Mamie Geneva Doud in Denver, Colo.

The party-givers: members of the White House staff, one of whom said the President was aware it was his wedding anniversary but knew nothing of the party in advance.

Parched Texas Prays For Rain

AUSTIN, Tex. (AP)—Texas Gov. Allan Shivers asked Sunday prayers for rain after saying government agencies have given "as much relief as they can be given by human means" in the six-state Southwest drought disaster area.

As the July sun burned on Southwestern livestock ranges, some of them reduced to barren sand in four rainless years, the Senate and House moved to speed further aid.

President Eisenhower extended his disaster area proclamation for Texas and Oklahoma yesterday to include parts of Colorado, New Mexico, Kansas and Arkansas.

Livestock men will share an eight million dollar emergency fund to help them buy government-owned cottonseed meal oats, corn, wheat and other livestock feed at below market prices.

B. F. Vance, Texas chairman for the Production and Marketing Administration, said feed should be moving onto the ranches of dusty West Texas by Monday.

The government began buying canned beef to support sagging prices.

In Washington, chairmen of Senate and House Agriculture Committees planned to begin hearings Monday on identical bills setting forth the administration drought relief program and proposing special loan programs.

Soo Man Reappointed To Bridge Authority

LANSING (AP)—Paul P. Hoholik and Carl Modine, both of Sault Ste. Marie, were reappointed by Gov. Williams today to the International Bridge Authority for terms expiring June 30, 1957.

Myrtle is the traditional bridal flower, being thought both to inspire and retain love because it was the favorite of Venus, goddess of love.

Wall Street

NEW YORK (AP)—Railroads sparked a rise in the stock market today for a second straight day.

The advance was not so vigorous as Wednesday but the gains were well distributed through the list. Business expanded as prices climbed.

Trading was at a rate of better than a million shares for the entire day. That compares with 910,000 shares traded Wednesday.

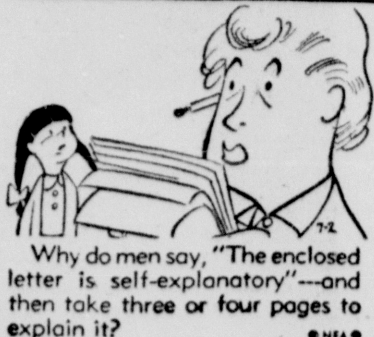

The advance in the rail section went to a bit better than a point. Elsewhere it was cut off generally below a point.

Higher with the rails were steels, motors, most coppers, rubbers, many aircrafts, and oils.

Higher stocks included New York Central, Illinois Central, Bethlehem Steel, Chrysler, Kennecott Copper, and Texas Co.

U. S. government bonds held firm.

LITTLE LIZ

Why do men say, "The enclosed letter is self-explanatory"—and then take three or four pages to explain it?

Briefly Told

Mrs. Ben Douglas Winner—in the report submitted to the Daily Press on the invitational at Iron Mountain Mrs. Wes. Hanson was incorrectly listed as low net winner, Mrs. Ben Douglas received that award.

Services • Announced—Services announced by the Rev. Wilbert Johnson for Sunday, July 5, are: Calvary Lutheran, Rapid River, Church School at 9:30 a. m. and worship at 10:45 a. m.; Bethel Lutheran, Stonington, worship at 9 a. m. and Church School at 10 a. m.

Motorists Ticketed — Escanaba police have issued traffic violation tickets to the following motorists: Howard Jenshak, Escanaba Rte. 1, speeding; Bennett A. Heath, Skandia, following too closely; Wallace Chrupe, 613 N. Seventh St., no operator's license and defective hand brakes; Wayne Courier, 1525 N. 20th St., no operator's license and failure to yield right of way. Courier's car struck and damaged an auto driven by William A. Anderson, 617 N. 16th St.

Typhoon Roars On

MANILA (AP)—Torrential rains and high tides flooded large areas of Manila today as a roaring typhoon skirted the island cluster off the Northern Philippines.

The storm with winds of 145 miles an hour at its center was headed toward Formosa. It was reported 250 miles southeast of Taiping on Formosa's Southeast Coast, moving west-northwest at 12½ miles an hour.

Sturgeon Bay Boy Admits Knifing Of Publisher And Wife

(Continued From Page One)

tried to telephone police. He grabbed a knife "and stabbed her several times," Duranty said. "I think she must have died instantly."

He denied he abused her sexually, the sheriff said. Reports of the slaying said the woman's clothing had been ripped almost completely off.

Knife Recovered

Duranty said Harris returned home about two hours later, and he said he jumped at the publisher. "I dropped the knife while fighting with him," the boy related, "and he made a lunge for it." He said he recovered the weapon and stabbed Harris. "I don't know how many times. I think he died right away too."

Meltzer said the boy then told of returning home and writing a note he left for his parents, admitting the killings. He then took the Harris car and drove through Michigan to Indiana.

Duranty waived extradition and was to be picked up today by Door County Sheriff Hallie Rowe.

Praised By Hoover

NEW YORK (AP)—Former President Herbert Hoover said Wednesday President Eisenhower's proposal to send American surplus food abroad "will bring results in saving human life and building friendship."

Many Entries In Pet Show

Twenty-three youngsters and their pets competed for ribbons at a pet show sponsored yesterday morning by the Recreation Department under the direction of Don Pfotenbauer.

Although dogs proved the popular pet, there were some unusual entries in the meet.

Dot Johnson had a tiny hamster and received the first place ribbon for the most unusual pet. Donnie Pfotenbauer's white and black mice ranked second and Janet Long's sand beetles were third.

Don Grenier's spider was the smallest pet and it met its fate when he dropped the jar after the judging had been done. Terry McPhetridge's polywog was second and Gary Kirchner's turtle and robin came third.

Rudy Sydmark's chow puppy was adjudged the best groomed while Kristine Meyer's cocker spaniel Nigger was second and Patsy Potvin's dog was third.

Judy Norton's cocker spaniel was adjudged the best trained and he had a number of clever tricks. Francis Mineau's dog and tame pigeon which stayed on his shoulder were second and Kay Wein-gartner's spitz-cocker was third.

Kristin Mathison's big Labrador retriever was the largest pet with Pat McPhetridge's springer second and Tim Bolger's cocker third.

Other entries were Judy Standing's turtle, Tom Standing's blonde cocker puppy, Mary Jo Drudging's cocker spaniel, Mile Hammond's beagle puppy, John Grenier's toad, Bruce Flannery's beagle puppy, Mike Newman's beagle pup, Charlene Laurich's turtle and Judy Standing's kitten.

City Briefs

Otto Haberman, longtime former Gladstone resident, and Mrs. Dorothy Johnson and Miss Betty Rose Clark, Milwaukee, and Arthur Williamson, Muskegon Heights, Mich., are visiting in Gladstone.

Mr. and Mrs. Francis Shampo and children, Patricia and Jimmy, 711 Michigan Ave., have returned from a two weeks' vacation trip in Canada.

First Lieutenant Gene C. Kee and family, Selfridge Field, Mich., are vacationing in Gladstone with relatives.

Mr. and Mrs. Cecil McLoud, Poulso, Wash., are the parents of twin sons, Robert Paul, who weighed 5 pounds and Ronald Lee, who weighed 4 pounds and 12 ounces, born June 23. This is the second set of twins in the family. They are a boy and girl. The McLouds have two other girls, also. Mr. McLoud is the son of Mrs. Warren Brown, 219 Delta Ave.

Mr. and Mrs. Archie Sugden have returned to their home in Neenah after a week's visit with Mr. and Mrs. Warren Brown, brother-in-law and sister of Mr. Sugden.

Mrs. Petra Olson attended the wedding of her son Russell Olson and Miss Ann Dodson which took place Saturday, June 27 at Hancock, Mich. Other members of Mrs. Olson's family attending the event were, Mr. and Mrs. Gerald Nicholas and son David, and Arlie Olson, Gladstone; Mr. and Mrs. Vernon Wicklander, Escanaba; Dolly Olson, Kenosha and David Olson, Lansing.

Mr. and Mrs. Roger McDonald, Ontonagon, were weekend guests at the home of his parents, Mr. and Mrs. E. H. McDonald.

Mr. and Mrs. M. Lund, Peshtigo, visited Tuesday and Wednesday with their son-in-law and daughter, Mr. and Mrs. H. J. Bray.

Mrs. Fred Cowen returned Tuesday from Redwing, Minn., where she visited for two weeks with Mr. and Mrs. Don Fawcett and her new grandson. She was accompanied on her visit by her grandson Tommy Butch.

Briefly Told

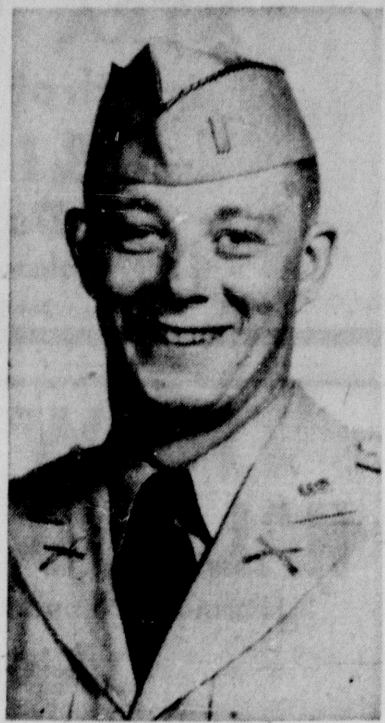

Dorcas Picnic—All those attending the Dorcas Picnic tonight are asked to bring their own table service.

Extend Deadline—Deadline for making reservations for the Gladstone High School class of 1933 reunion has been extended to July 8. All persons planning to attend must make reservations.

Obituary

MRS. CHRIS SMITH
Funeral services for Mrs. Chris Smith, 112 S. 6th St., are to be conducted at the Skradski funeral home Friday afternoon at 2, the Rev. Joseph Dickson, rector of Trinity Episcopal Church, officiating. Burial will be made in Fernwood cemetery.

WEIGHTS WEIGHED
Gross weight is the whole weight, including the goods and package; tare weight is the weight of the package alone, and net weight is the weight of the goods alone.

2ND LIEUTENANT — Douglas E. Wescott was graduated from the Officers Candidate School at Fort Benning, Ga., and commissioned a 2nd lieutenant in the Officer Reserve Corps at exercises held early this month. Lieut. Wescott is a graduate of Gladstone High School, Class of '47. He attended Michigan State College where he studied business administration receiving an ABA degree and entered service in March 1952. He received his basic training at Camp Breckinridge, Ky., with Co. A of the 42nd Tank Battalion. Leadership, moral, academic and physical fitness are the guide used in selecting soldiers to attend the Infantry Officers Candidate School. Following a visit with his parents, Mr. and Mrs. H. G. Wescott, Lt. Wescott has left for Fort Riley, Kas., where he will be stationed.

Queen Finalists Chosen Tonight

Finalists for the Water Queen contest are to be selected this evening at 7:30 at the Beach House. Entries for the contest are coming in well, Mason Meyer, chairman of the event reports.

All entries must be in the hands of Elmer Peterson, head lifeguard, by 5 this afternoon.

Entrants will report at 7:30 at the beach house at which time five will be selected as finalists. All contestants must be attired in bathing suit, it is stated.

Selection of the Queen will be made Saturday afternoon between 3 and 3:30 at the Yacht club during the outboard race program.

Prizes valued at over \$100 go to the lucky girl selected as queen.

POPULAR GAME
Shuffleboard was a very popular game in England, being mentioned under such names as shovel - groat, slide - groat and shevel-penny as early as the 15th century, according to the Encyclopedia Britannica.

Drum And Bugle Unit To Perform

Manistique's Boy Scout Drum and Bugle Corps, sponsored by the American Legion, will make its second public appearance here during the Fourth of July parade Saturday morning, it is announced by Louis Rogers, Scoutmaster and director.

The group, numbering 34 members, made its debut on June 14 during a flag ceremony at the new city baseball field. The corps also has appeared on a Gladstone Scout program and at the Legion convention in Menominee.

Besides marching in the main parade Saturday forenoon, the corps will play at a Garden flag-raising ceremony and parade Saturday afternoon. In the evening the group is slated to present a musical demonstration at the Hall stadium, beginning at 7:30.

On Sunday, July 5, the corps goes to Baraga where it will march in a celebration parade.

Highlight of the unit's season will be its appearance by invitation at the Michigan National Guard encampment in August at Grayling, Rogers said.

The corps was organized last fall and began rehearsals shortly after the beginning of the year. It was not until late March that the unit received its full complement of musical instruments. On Boy Scout rolls the corps is listed as troop 400.

Before taking over direction of the corps, Rogers served for five years as drummer and drill master of the L'Anse drum and Bugle Corps. A marine veteran of the South Pacific during World War II, Rogers is now employed as an electrician by the Manistique exchange of the General Telephone Company of Michigan.

Chatham

Adolph Hendrickson of Boston, Richard Bloomquist, Brooklyn, N. Y., Eileen Bloomquist, Mrs. Arnold Bloomquist and sons Kenneth and Laurie, Newfield, N. Y., Mrs. Leonard Hendrickson and children, Ellen, Teddy, Freddy and Donald, Tacoma Park, Wash., Mr. and Mrs. Theodore Bloomquist, Washington, D. C., Mr. and Mrs. Art Lambert, Detroit, Yvonne and Roger Nelson, Sparta, Minn., and John and Roy Bloomquist of Wilmington, Del., were recent guests of Mr. and Mrs. Hugo Hallstrom.

Mr. and Mrs. Herbert Mattson and Mr. and Mrs. Larry Barber visited in Marquette, Little Lake, and Gwinn Sunday.

Mr. and Mrs. William Davison and daughter Barbara of Cleveland, O., and John Norman and Mrs. Anne Valentine of Lathrop visited Mrs. George Kallio.

Mr. and Mrs. Stanley Hill of Pontiac are visiting relatives here. Mr. and Mrs. Martin McClintock visited in Escanaba Saturday.

Rudolph Erickson and Robert Maata of Interlochen, N. Y., have returned to their homes after visiting at the home of Mr. and Mrs. Emil Maata at Eben.

Mrs. Reina Akkala is attending the secretaries' school being held this week at Michigan State College in East Lansing.

Mr. and Mrs. Hugo Hallstrom and family have returned from a visit with relatives in Minnesota.

A parish meeting of the Zion Lutheran Church will be held Monday, July 6.

Better Be Safe

NEW YORK (AP)—It's better to be safe than sorry, in the opinion of a well dressed young man who walked into a liquor store here and ordered a bottle of wine. "Got a gun around the place?" he inquired pleasantly of clerk Marvin Kern.

"No," said Kern. "In that case, let me have all the dough you've got," said the visitor, pulling out a gun of his own.

The clerk handed over \$75.

Social

Engaged

Mr. and Mrs. Willard Garvin, 436 Delta Ave., announce the engagement of their daughter, Dixie, to Bruce L. Neddow, son of Mr. and Mrs. Eldred Neddow.

No date has been set for the wedding.

Golf and Bridge Club

The Tuesday group of the Indian Lake Golf and Bridge Club met for a 1 o'clock luncheon Tuesday afternoon at the Country Club. The luncheon was served by Mr. and Mrs. Sam Candella.

During the afternoon canasta was played and prizes were awarded to Mrs. Howard Holland and Mrs. Leon Nicholson.

Mrs. C. E. Kaye, of Buchanan, was a guest of the club.

Husband, Wife Fined In Court

Reckless driving and drunk and disorderly charges yesterday brought a husband and wife from Detroit into Manistique justice court.

Charged with operating a motor vehicle on Oak St. and Maple Ave. in a reckless manner was Mrs. Harvey Pierce. Pleading guilty at her arraignment before Justice Victor P. Deemer, she paid a fine of \$25 and costs of \$5.

A charge of drunk and disorderly was preferred against her husband who, city police reported, created a disturbance on River St. He also pleaded guilty and paid a fine and costs of \$14.

Both were arrested Tuesday by city officers.

Start Work On Cyclone Fence

First step toward installation of a cyclone fence in Central Park, extending from Hall stadium to E. Elk St., was started Tuesday by city workers, it is reported by Orson Livermore, acting city manager.

Initial work includes the digging of necessary post holes. Following this, Livermore said, forms for construction of a low concrete wall will be laid over the post holes. After steel fence posts are inserted in the holes, concrete for the wall will be poured, and each post will be held rigid both in the cement wall and in additional concrete extending down the post hole to bedrock.

Fencing received a week ago, will match the present cyclone fence enclosing the Hall stadium. Length of the fence will be 454 feet and it will be set 14½ feet east of existing Maple Ave. curbing.

A new softball field has been built north of the stadium in Central Park and the new fence will separate the playing area from Maple Ave.

Briefly Told

Choir Practice—The choir of the First Baptist Church will practice in the church tonight at 7:15.

Library Hours—The Manistique public library is now operating on its summer schedule, being open 2 to 5 p. m. daily and from 6 to 8 p. m. Friday evenings. The library will be closed on the Fourth.

More people get more news from newspapers than from all other sources combined.

City Briefs

Mrs. Charles Arrowood has returned from a week's visit with relatives and friends at Duluth, Minn. She was accompanied by Miss Candace Ekroot who will spend the summer on the Arrowood farm.

Mr. and Mrs. Joseph Carefelle, John Walfors and Billie Raredon are visiting relatives in Ashland, Wis., and Duluth, Minn.

Mr. and Mrs. R. L. Prine have arrived from Ashville, N. C., to spend a week at their camp at Lake Miskaeger.

Mrs. Viola Crawford has returned to her home here after visiting her sister in Detroit.

Mr. and Mrs. Melbourne Williams and children, Margo and Gordon, have returned to Detroit after visiting Mr. Williams' parents, Mr. and Mrs. Fred Williams, Arbutus Ave.

Douglas Harding, music teacher in Manistique public schools, plans to leave Friday for Boston, Mass., where he will attend summer school for six weeks.

Mr. and Mrs. Duane Haskins and daughter, Karen, of Detroit, are visiting here this week with her mother, Mrs. Freda Peterson.

319 Schoolcraft Ave.

Mr. and Mrs. Kenneth Thorell have arrived from Houston, Texas, to spend the summer here with relatives.

Myrtle Nelson, of Pacific Grove, Calif., has arrived to spend the summer here with her mother, Mrs. J. R. Nelson, 126 S. Mackinac Ave.

Capt. Alvin Peterson, of Pensacola, Fla., is spending his furlough here with his mother, Mrs. Freda Peterson, 319 Schoolcraft Ave.

Mrs. Emil Nelson, 703 Oak St.,

Honorary Indian Chiefs Have Society

CARDSTON, Atla. (AP)—One of Canada's most exclusive clubs is the Kainai Chieftainship, restricted to 35 members, all honorary chiefs of the Blood Indians of southwestern Alberta.

Formed in 1950, the organization meets only twice a year and is composed of notable public figures.

One of the chiefs, Earl Alexander, British Defense minister, says the object of the Kainai Chieftainship is to "preserve all the fine traditions of the Bloods, to broaden their knowledge so that they may, through an advanced system of Indian education, achieve that high level of citizenship for which they are so eminently qualified."

Honorary Indian Chiefs Have Society

In This Corner

With Ray Crandall

A Stephenson reader informs us that Jim Strohl, Waubung League hurler, set a record of 20 strikeouts in a game against Bark River. He followed that performance with a string of 18 strikeouts recorded against the Menominee club. Stephenson, operating in American Legion Junior circles for the first time this season, fields a powerful team and is regarded by many followers as the team to beat in this district.

Speaking of American Legion Junior baseball, we note the Cleveland Indians have signed the outstanding player in the nation in 1952 Legion circles in Russell Nixon, a catcher for Cincinnati's team last year. They also signed his twin brother Ronald and assigned the two players to the Green Bay Bluejay team in the Wisconsin State League.

The Escanaba Softball Association has taken out rain insurance on the appearance of the King and His Court at Memorial Field tonight. In case of rain, an effort will be made to have the King return here during his Upper Peninsula tour. Fans who have seen the unique four-man team in the past call it one of the best exhibitions in any field of sports.

Hap Rondeau, sports editor of the Iron Mountain News, informs us that three youngsters of that city have called for entry blanks for the first Upper Peninsula Junior Golf tourney to be held here July 9. Entry deadline is this Sunday. The Iron Mountain boys who plan to compete are Joe Pesavento, Glen Winters and Jackie Hooper.

Rotary Wins First Half Title, Bourdeau Stars

STANDINGS		(First Half)	
Team	W.	L.	
Rotary	7	2	
Kiwanis	4	4	
St. Joe	4	4	
Lions	2	7	

A first-inning single by Bob Dagenais spoiled Mammy Bourdeau's no-hit game last night at the Jaycee Little League field as Rotary wrapped up the first half flag by beating Kiwanis 4-0.

Bourdeau had complete control of the game as he allowed only one Kiwanis batter to reach second base. The little Rotary right-hander fanned 11 batters.

Don Hansen, first baseman, was a defensive star for the first half champions and led his mates at the plate with two singles and scored two runs. Bourdeau also

High Schools Ask Baseball Men To Hold Summer Camps

WISCONSIN DELLS, Wis. (AP)—The National Council of the Federation of State High School Athletic Associations Wednesday night urged organized baseball to hold tryout camps for prep players during summer months whenever possible for minimum interference with school work.

The Council further recommended that when tryouts are held during the school year they be limited to inviting not more than five players from a school to perform locally and only then with their principal's permission.

The statement also asked that no further effort be made to recruit students with eligibility remaining until the matter can be thoroughly discussed at the December meeting of professional baseball. The federation's recommendations will be presented to the commissioners of the major and minor league and the two major league presidents.

Other Managers Eye Yankee Losing Skein

NEW YORK (AP)—How do the other clubs in the American League feel about the New York Yankees' nine-game losing streak?

The Associated Press took an informal poll: Both Hank Greenberg, general manager of the Cleveland Indians, and Paul Richards, manager of the Chicago White Sox—the two clubs the experts rate as most likely to catch the Yankees—are cautious in their optimism.

Said Greenberg: "I'm delighted at their losing and hope they keep on, but so far as discussing what's wrong with them—no. We've got a good ball club and now we've got Luke Easter back and we're beginning to roll." Richards was more emphatic.

Clint Courtney On Hot Hitting Streak

CHICAGO (AP)—Clint Courtney, young St. Louis Browns' catcher, is on a torrid batting streak. He has 14 hits in his last 27 at bats (.519) to lift his average from .204 to .256. Courtney got two hits in four trips against the Chicago white Sox Wednesday.

Legion Teams Get Set For District Tourney

Bill Butler, Cleveland Post No. 82 American Legion commander, announced today that the Escanaba Post would again be represented in the 11th district junior baseball tournament by two teams. This year's tournament will be held in Gladstone, July 11 and 12, with the drawings scheduled for the first of the week.

Perennially a baseball power in the Upper 11th District, a

Cleveland Post team has won four of the last five tournaments. This year the youthful Escanaba Cubs coached by Al Ness will be back for another crack at the title after splitting in last year's Menominee tournament.

All Stars Formed The recently organized Escanaba All Stars under the direction of Art Petersen, city recreation director, are also entered and are

Paler And Brietzman Turn In Mound Gems

Gary Paler fashioned a neat two-out lead to the Escanaba Cubs in a 6-2 victory over Carney and Marian Brietzman fired a one-hitter for the Gladstone team in defeating Bark River 7-0 in Waubung League twilight games yesterday.

A single by Jim LaVigne, leading off the second inning, spoiled Brietzman's no-hitter. The Gladstone hurler fanned eight and allowed only one runner to reach third base. Only two other batters got as far as second.

Gene Seguin, Gladstone backstop, led his mates to a 12-hit attack off Dick Motto with a perfect day at the plate. He rapped out four straight singles.

Coach Al Ness' Cubs won their fourth game in five starts behind Paler's sharp pitching. Paler walked only one batter and hit two men at the plate.

Tony Kutches, first baseman, led

his mates at the plate with three singles. David Viau and Gary Hirm, outfielders, rapped doubles off Dolack, Carney hurler. Dolack allowed eight hits, fanned three and walked two.

Linescores: Escanaba 000 114 0-6 Carney 001 000 1-2 Gladstone 110 004 1-7 Bark River 000 000 0-0

Bungalows And Paper Mill Win

Results Last Night Harnies 7, HiWay 0 (forfeit) Paper Mill 6, White Birch 1 Bungalows 8, Dells 5 Clairmont 14, Neisner's 2 Kessler's 10, Ensign 3

Harnischteger took a forfeit win from HiWay Tavern last night to stretch its lead at the head of the American League softball ladder.

Paper Mill strengthened its first division position by trimming White Birch 6-1, shellacking the Leo and Franny Lancour who shared pitching duties.

Bungalow turned in an 8-5 victory over the Dells with Gene Verhamme chucking a four-hitter. Bungalow led 8-1 going into the seventh which was highlighted by Keith Morin's triple with one on.

Wildness kept starter George Bartley in trouble on the Dells mound and Don Paulin relieved him. Paulin and Bartley surrendered five hits. Paulin cracked a double for the losers.

On the winning Clairmont mound was Bill Rodman. Bob Anderson chucked for Neisner's.

With Cliff Larson tossing six-hit ball, Kessler's was led at the plate by Dick Dufrense who collected three hits in four trips. Larson didn't issue a walk.

Burkemo Leads State Golfers

BIRMINGHAM (AP)—Walter Burkemo of Franklin, who missed winning the PGA title in 1951 by one match, led Michigan's 15-man delegation in the first qualifying round of the 1953 PGA tournament.

Hitting down the middle, he hefty pro from Franklin Hills topped par by one stroke, turning in a nifty 36-34-70. That left him four strokes behind Vic Gehzi, first-day leader with a sizzling 66.

Besides Burkemo, only three other Michigan players were able to match par, they were Eldon Briggs of Saginaw, Chick Harbert of Northville and Henry Ransom of Pontiac. Each had a 71 over Birmingham's exacting 6,465-yard layout.

Burkemo was a dark-horse up-setter in the PGA in 1951. He raced through five matches, only to be caught by Sammy Snead on one of his better days. Snead won, 7 and 6.

BASEBALL PRACTICE

A practice session has been called for Friday evening at 6:30 at the City Diamond for the Escanaba all-star baseball team which will play at Bark River on the Fourth of July.

Joe DiMaggio, former star outfielder for the New York Yankees, had four brothers and four sisters.

The 1952 Georgia Tech track team finished seventh in the SEC meet. Ed Baskin, pavelin star, scored the only Tech victory.

Jockey Logan Batcheller has the smallest foot in the Hialeah pockey room. He wears a size two boot.

BASEBALL - JULY 4th BARK RIVER DIAMOND Escanaba Bears vs. Bark River Game Time 2:30 P. M.

Sundalius 1st Gladstone Golfer To Enter U.P. Junior Meet Here July 9

Sixteen-year-old Jim Sundalius became the first of the Gladstone contingent to enter the first annual U.P. Peninsula Junior Golf Tournament here Thursday, July 9, when he filed his entry yesterday with Tom Bolger at the Daily Press office in Gladstone.

At least a half dozen other Gladstone youngsters, those who have had training under Eldon

tournament manager by July 6. Young men still in high school or planning to attend college may rest assured that competition in the U. P. meet will not endanger their athletic standings. Play will be in accordance with rules and regulations of the United States Golf Association and the Michigan High School Athletic Association.

Because this is the first U. P. junior golf meet ever held, there is no indication how large the entry list will be. However, committees in charge are making plans sufficiently flexible to handle "25 or a 125" as one committee member phrased it yesterday.

The young golfers will be housed Wednesday night, July 8, at the 4-H building at the U. P. state fairgrounds. The course will be open at 5 p. m. Wednesday, July 8, for practice rounds, following the start of registration at 4 p. m. Wednesday, and competitors will tee off in threesomes Thursday morning for 18 holes in the morning and 18 holes in the afternoon.

If the entry list justifies sending a full team, the seven low scorers will qualify for the state junior tourney in Midland July 13, and the five low scorers there will qualify for the national tourney in Ann Arbor Aug. 17-22, inclusive.

First out-of-town entries for the U. P. Junior Golf Tournament here Thursday, July 9, are Grant Burnett and Bob Vauhkonen, of Sault Ste. Marie, and Joe Pesavento, Glen Winters and Jackie Hooper, of Iron Mountain. Scores of entries from these and other leading U. P. cities are expected before the deadline Monday, July 6.

"Cappy" Keil as members of the Gladstone High School team and others, are expected to file their entries before the deadline Monday, July 6.

All young men planning to compete in the one-day 36-hole medal meet are urged to enter before Sunday, July 5, so that newspaper sports editors and golf club professionals in charge of taking entries may file their lists along with entry fees to the

Insurance Upsets Elks In Little Bigger Loop, 5-4

Insurance Association posted an upset 5-4 victory over the Elks in Little Bigger League play last night while Delta Hardware and Kiwanis battled to a 10-10 stand-off in seven innings.

Dave Valentine pitched four-hit ball and fanned six to notch the win on the Insurance mound. Bud Bessonen opened for the Elks and was relieved by Bob Hansen who suffered the loss. Insurance collected seven hits off the two hurlers who combined to fan six batters.

Jerry Martin and John Vadnais both had two hits in three trips for the winners. Bunny Martin drove in the tying runs in the last of the sixth and then scored the clincher.

Kiwanis scored two runs in the first of the seventh to tie Delta 10-10. Charles McCarthy, starting pitcher, stepped down to Gary Wellman who stopped the rally but Delta was unable to break the deadlock in the bottom of the seventh. The game was stopped because of darkness. Bob Ander-

son was on the mound for Kiwanis. The game will be replayed, league officials announced today. In tonight's action the Paper Co. will send Bob Rodman to the mound against Don Trotter of AFL at Royce Park diamond.

Baker Suffers Quick Knockout

CHICAGO (AP)—Bob Satterfield, a game 180-pounder, eyed the heavyweight ranks today after a one-round knockout of the fourth best man in the dreadnought class.

Chicago's Satterfield felled a foe 33½ pounds heavier, favored Bob Baker of Pittsburgh, in 2:32 of a wild-swinging opening round at the Chicago Stadium Wednesday night.

Baker, previously ranked behind Roland La Starza and Ezzard Charles as a challenger for Rocky Marciano's heavyweight crown, began swarming all over his lighter foe as the close of the round neared. Suddenly, Satterfield lashed out with whistling combinations to the body and head. Baker's mouthpiece flew out, seconds later, Satterfield right hook to the chin stunned Baker and a sharp left finished him off.

"I just got careless," said Baker, who suffered only his third defeat in 36 pro bouts. Satterfield, claiming light heavy champ Archie Moore wants no part of him, said, "I might as well fight La Starza or some other ranking heavyweight."

Sports In Brief

By The Associated Press Wimbledon, England—Vic Seixas of the United States defeated Mervyn Rose of Australia, 6-4, 10-12, 9-11, 6-4, 6-3, and Kurt Nielsen of Denmark whipped Jaroslav Dornby of Egypt, 6-4, 6-3, 6-2, in the semi-finals of the Wimbledon tennis tournament.

Birmingham, Mich.—Vic Ghezzi shot a five-under-par 66, tying the 20-year-old record, to lead the first round qualifying in the Professional Golfers Association tournament.

Braves Regain Winning Ways In National

Yanks Drop 9th Straight

By BEN PHILGAR
AP Sports Writer

The New York Yankees, who usually don't have to ask anybody for anything, might consider borrowing Charlie Grimm's Milwaukee textbook on "how to start winning when losing."

The Yankees go into today's game at Boston with a record of nine straight defeats after losing to the Boston Red Sox Wednesday, 4-0. Their all-time mark is 13 in 1913.

The Braves went into a tailspin the same day the Yanks did and they lost eight in a row before righting themselves Tuesday night. They won again Wednesday, 10-2, over Cincinnati.

As they trampled the St. Louis Browns, 13-4, Washington defeated Philadelphia, 5-3.

Look Beaten

The Yankees looked a beaten and bedraggled ball club all the way in bowing to Boston. They got only four singles off southpaw Mel Parnell. Five New York hitters went down swinging and two more were called out on strikes. Defensive play was generally sloppy.

Al Rosen sent Cleveland off to a two-run lead in the first inning at Detroit with a home run scoring Dale Mitchell, but Ted Gray stopped the Indians the rest of the night. Bob Lemon wild-pitched one run home, threw the ball away in permitting another and walked the

third man who scored.

The White Sox rattled the fences at Comiskey Park with nine extra-base hits against the Browns. Minnie Minoso drove in five runs with a pair of triples. Nellie Fox hammered three doubles in three official at bats.

Homers Helped Nats

Home runs by Wayne Terwilliger and Ed Fitzgerald helped the Senators beat the Athletics.

Three doubles brought Brooklyn its success over Robin Roberts and the Phillies. With one out in the 10th Carl Furillo doubled deep to center field. Pinch hitter Roy Campanella brought him home with a double to left center and after an

intentional walk George Shuba, another pinch hitter, belted one off the right-field scoreboard to drive in the winning run.

Stan Musial belted pair of triples and a single in the St. Louis triumph over Chicago, Gerry Staley's 12th victory.

Milwaukee's power hitters found the range again at Cincinnati. Sid Gordon started the fireworks with a two-run homer in the first. Eddie Mathews belted his 23rd of the season, with a man on, in the third and Joe Adcock contributed a bases-empty blast in the eighth. Mathews moved into the league home run lead.

Gray Tames Indians, 4-2, For Third Straight Win

DETROIT (AP)—Ted Gray, the little lefthander who lost his first nine starts, could boast of a different fortune today.

Striking out nine Cleveland Indians and sitting them down with six hits, Ted won his third game in a row Wednesday.

Except for the first inning, when

he fed Al Rosen a two-run homer, Gray was complete master of the situation at Briggs Stadium. At one stage he sat down 10 Indians in a row. The 4-2 victory gave him a 3-9 record for the season.

Calls On Gromek

In hopes of bagging victory No. 22 of the season and taking a three-

game series from the second-place Indians, Manager Fred Hutchinson nominated Steve Gromek (2-2), a recent acquisition from Cleveland, to oppose his former teammates in the rubber game of the series today.

Manager Al Lopez of the Indians picked Mike Garcia (9-4), following yesterday's loss by his winningest pitcher, Bob Lemon (10-7) and the snapping of a six-game Cleveland win streak.

Except for the first-inning home-run ball he served Rosen, with Dale Mitchell on base, Gray would have had a shutout. When Luke Easter tagged him for a single in the ninth, Gray had retired the 10 previous Cleveland batsmen in a row.

Gets Eight Hits

Lemon's own misdeeds proved his undoing, as the Tigers managed to touch him for eight hits, including doubles by Johnny Pesky and Ray Boone.

In the second inning Lemon made a wild pitch that enabled Dropto to score and Jim Delsing to reach third. Don Lund's single brought Delsing home with the tying run.

Then to start the fourth, Lemon walked Delsing, after Souchock singled. Lemon made a wild throw on Lund's infield hit and Delsing scored.

That would have been enough for Gray, but a pass to Johnny Pesky, an infield out, and Dropto's single added a fourth marker in the seventh.

Crosby Gets Six Seats On 50-Yard Line—Vertically

SPOKANE, Wash. (AP)—Conversation may be difficult, but Bing Crosby and his five guests will occupy six of the best seats in the stadium at a professional football game here in August.

The Athletic Round Table, sponsoring the game between the Green Bay Packers and the Chicago Cardinals, said it received a check from Crosby Wednesday for six seats on the 50-yard line.

The Roundtable, which loves a joke, took the crooner literally and is sending him tickets for six seats in a row on the center line—a vertical row, that is, one seat in back of another.

Yesterday's Stars

By The Associated Press

Pitching — Mel Parnell, Boston Red Sox, won his 10th game by blanking the New York Yankees on four singles, 4-0.

Batting — Eddie Mathews, Milwaukee Braves, singled, doubled and hit his 23rd home run to take over the home run lead in the National League. The Braves defeated Cincinnati, 10-2.

111 Cedar Street

Much Work In 4th Planning

A small and hard-working corps of men and women is this week completing final arrangements for Manistique's Fourth of July celebration Saturday. The event is sponsored by the Manistique post of the American Legion, assisted by the Legion Auxiliary.

Heading the program are Harvey Quick, Clifford Cool, John F. Wood and Emery Barnes.

Street sports will be under the direction of Alex Creighton, Alfred Farley, Roy Roberts and John W. Kelly.

The main parade workers are E. J. Doyle and William Cowman. Mrs. George Huber is chairman of the children's parade, and she also headed a corps of solicitors to raise funds for the celebration.

William J. Cook will have charge of the public address system during the evening program at the Hall stadium.

Fireworks will be handled by Harrison LaFolle and William Blowers.

Edward Toyra will supervise the evening boxing show, assisted by the Rev. George Pernaski.

Thompson To Vote On Sending 7th And 8th Grades To City

In addition to electing a trustee to the Board of Education at the annual school election July 13, voters of Thompson township also will pass again on the proposal of sending seventh and eighth grade students to Manistique public schools, it is announced.

Thompson school electors vote annually on the measure. The township district provides necessary transportation.

Grades through the sixth attended classes in Thompson.

Power Shortage Serious In U.P., Ebasco Favors One Large Plant

THE EBASCO REPORT

NEW INDUSTRIES & POWER
Editor's Note: This is the fifth in a series of seven articles summarizing the Engineering Study of the Michigan Upper Peninsula sponsored by the Michigan Economic Development Commission.

Communities desiring industrial development will expedite its fulfillment by careful planning.

Through progressive zoning and the proper provisions of water, sewer, electric and gas facilities, as well as roads and rail sidings, the available sites will be ready and waiting for prospective industrial concerns.

It is the considered opinion of the Ebasco consultants that the greatest industrial opportunities in the Upper Peninsula are in those industries that will utilize the timber, mineral and other natural resources of the area.

There are some opportunities for the production of consumer goods. Clothing, particularly sport and work clothes suitable to the climate and the activities of the residents and visitors, would find a ready market. Playground equipment, toys and games of wood can draw on a ready supply of raw materials. Locally made souvenirs, novelties and gift items would have a market among the many visitors and vacationists.

Electric Power Lack

The Ebasco report stresses the importance of readily available electric power, adequate gas supplies and low cost fuels of other kinds as primary aids to economic development.

Lack of surplus firm electric power supplies in many regions of the Upper Peninsula has been a major deterrent to the greater industrial growth of the regions. One outstanding industrial prospect lost by the Upper Peninsula was a manufacturing plant requiring substantial power for electric furnace operations. This prospective industrial concern would have employed about 400 workers.

Total electric power generating capacity in the Upper Peninsula is 233,612 kilowatts, distributed as follows: Steam electric, 16,600 kilowatts; hydroelectric, 195,302; and internal combustion engines, 21,710.

Ebasco points to the need of more steam-electric generating facilities to firm up the hydro-electric power supply. At the present time, 96 per cent of the total electric power capacity is furnished by eight major suppliers of electric power, two of whom have generating facilities in Wisconsin as well as in the Upper Peninsula. The remaining 7 per cent of the electric power capacity is supplied by municipally owned plants which furnish only the requirements of the municipalities involved.

Greater Demands

According to the Ebasco report, the complexity of the Upper Peninsula power supply problem is quite apparent when it is realized that the electric capacities of the company-owned utilities are primarily dedicated to the companies' own industrial needs.

The mining and paper companies, owning electric utilities, are now faced with additional power demands for their expanded operations. Cliffs Power and Light Company has announced that it will not be able to supply the electric requirements of the Michigan Gas and Electric System after their contract expires on January 1, 1954. Upper Michigan Power and Light Company, which has 1,200 customers including large industrial users, has recently notified the Escanaba and Gladstone City Electric Departments that they will be unable to supply their needs after their contracts expire in 1954 and 1958, respectively.

The Ebasco report states there is an immediate need for about 20 per cent more electric power capacity for present customers in the Upper Peninsula. The proposed expansion of ore mining and beneficiation operations will require also an additional 20 to 25 per cent more electric power in the next ten years. In September, 1951, the American Playground Device Company of Anderson, Indiana, bought the whole town of Nahma as a site for a branch factory. The plant was built, but it stands idle for lack of electric power.

Central Plant?

According to the Ebasco report, the most feasible solution to the present power problem appears to be the construction of a large steam-electric generating plant, centrally located, from which the numerous utilities can draw for additional electric power.

For the present, through interconnections, the Upper Peninsula electric utilities can take care of load requirements for new enterprises in some sections if the electric loads are not more than several hundred kilowatts. Each new need of industrial electric power will have to be considered as an individual case.

Public utility gas service for residential, commercial and industrial use is available in relatively few communities in the Upper Peninsula. About 17,000 customers of all types are served by the seven gas utility companies now operating in fourteen communities. Most of these utilities have discontinued the local manufacture of

gas in their own plants and supply their distribution systems with Propane-Air mixture.

Gas, Oil, Coal

The Ebasco report points out that the utility gas service locations are so few and so scattered that they present a possible deterrent to the importation of natural gas. However, importation of Canadian gas might expedite the availability of natural gas in the Upper Peninsula.

The report discusses the coal and oil supply situation. Bulk freight delivery of coal to Upper Peninsula ports in the usual manner of coal supply for the area. Tankers bring oil by water to the bulk terminals at Kipling, Marquette, Dollar Bay and a newly constructed terminal at Wells, near Escanaba. The present construction of the Lakehead crude oil pipeline has raised hopes that both oil and natural gas will someday be available from Canada.

Considering the nature of the terrain and the distances between principal communities, the transportation and communication facilities in the Upper Peninsula are fairly good.

Straits Bridge Again

The Ebasco report states that there is great need for better passenger service in and out of the area. Due to the land-tie with Wisconsin, the people in the Western portion have generally better service than those in the East. It adds that the proposed Mackinac Straits Bridge should do much to further the commercial and industrial development of the Upper Peninsula as a whole, and particularly of the Eastern and East Central regions.

According to the report, studies by qualified experts have shown that the expected traffic tolls will make the bridge a self-liquidating project. Of real importance is the fact that a bridge of this type is expected to induce at least 85 per cent more traffic than can be expected from the operation of the state ferries.

If the Straits bridge is open by 1958, the traffic estimate for that year is 2,123,000 vehicles or an added 1,323,000 vehicles over the 1952 figure.

Freight Rates

The subject of freight and trucking rates has been assigned as a special study to a task committee of the Michigan Economic Development Commission. The report states that it is a study of extreme importance since the distance to market of Upper Peninsula manufactured products is a factor to be considered in the delivered price of goods. Despite higher shipping costs, many Upper Peninsula manufacturers have stated that they can compete in the national market because they have the compensating factors of high productivity and good quality workmanship and in some cases, lower labor rates.

Production of heavy and light industrial goods also could be expanded in the Upper Peninsula. It might be noted that the Harnischfeger Corporation of Milwaukee located two large plants in Escanaba a few years ago for the manufacture of electric welding equipment and heavy truck cranes. Other heavy goods plants are those of the Lake Shore Engineering Company of Iron Mountain and Marquette, Grede Foundry.

British Return 100 Borrowed Bombers

WASHINGTON (AP) — Britain's Royal Air Force is returning the approximately 100 B29 bombers loaned her in 1950 under the defense assistance program, the United States Air Force announced today.

The first of the medium bombers were scheduled to take off from England today to fly to a U. S. A. F. base at Dover, Del. The others will fly during the next 18 months as British-produced Canberra bombers are delivered to RAF fields to replace the borrowed American planes.

The term "gridiron" is applied to a football field because it is traversed every few yards by white lines, which produce a gridiron effect.

dries Inc. of Iron Mountain, the E. J. Longyear Company of Marquette, and the Prescott Company of Menominee.

Venture Capital

The need for venture capital to encourage new enterprises in the Upper Peninsula is great, the Ebasco report points out. Present banks are performing well their function of financing going businesses. They cannot legally supply risk capital for new ventures.

In recent years two types of venture capital companies have come into existence dedicated to the financial development of new enterprises of merit. One type is an organization representing substantial private investors who are seeking attractive opportunities to invest their personal funds with an expectation of long term capital gains.

Venture capital firms usually have relatively small capitalization of the order of \$100,000. They are staffed with businessmen and engineers capable of screening and evaluating new ventures. The capitalization provides a revolving fund which permits occasional small investments. However, the financial strength of the firm lies in the group of investors associated with it. New Enterprises, Inc. in Boston, which was organized in 1946, is of this type.

Advisory Services

The second type of financial development corporation is allied to banks in the state, each agreeing to buy nominal stock in the corporation and committing themselves to participate in loans to a limited amount. The New Hampshire Business Development Corporation is a good example of this type of corporation.

Business and marketing advisory services are also recommended by Ebasco. Such a service could be set up at either the Michigan College of Mining and Technology or at the Northern Michigan College of Education. Its services should be available to all industry and business in the Upper Peninsula, the report advises.

(Next installment: Recreation and Agriculture)

Bark River

BARK RIVER—Mr. and Mrs. Elmer Nelson and children and Ernest Logerquist of Pontiac were guests of the Thelander Nelsons and Vic Nelsons this past week. Mr. Logerquist is former resident of this area. He moved down state 10 years ago.

Mr. and Mrs. Carlton Holis and daughters Joan, Barbara and Christine of Buffalo, N. Y. are visiting with Mrs. Holl's aunt and uncle, Mr. and Mrs. Chester Good. Mr. and Mrs. Tom Swift moved to Milwaukee Sunday afternoon where Mrs. Swift is consulting specialists.

H. W. Boyle returned Sunday from Flint where he attended the annual state convention of the Michigan Chapter of National Associations of Postmasters. Mr. Boyle recently was elected district chairman of the 11th Congressional District Michigan Chapter of Postmasters. Virginia and Joan Mason of Rockford, Mich., are visiting with their grandmother, Mrs. Dan Castongani. Gwendolyn and Gaylord Mason also of Rockford, accompanied them and are visiting with friends.

Miss Jeannette Yagodinski of Chicago arrived for a visit with her grandparents, Mr. and Mrs. Peter Couillard.

The group of Luther Leaguers from Salem Lutheran Church arrived home from the Youth Conference at Boston Tuesday afternoon. Those who attended were Lu Anne Krause, Evelyn Bergstrom, Lois Good, Betty McNaughton, Billy Good, Wayne Erickson, Le Roy Johnson and Robert Johnson.

July 4 Celebration
Bark River is all set to play host to the public July 4. The program will start out with a colorful parade of floats, headed by the Bark River-Harris High School Band and different marching groups. The committees who are in charge have worked hard and have had fine cooperation from everyone in the community to make the Fourth a gala day.

Entertainment for Your VACATION

Major Amos B. Hoople says it's always a problem where to spend your vacation. When you solve that, be sure to call our circulation department Phone 692 and have the Escanaba Daily Press mailed to you so you can follow the Major in OUR BOARDING HOUSE.

Cornell

CORNELL—A second of a series of movies sponsored by the Cornell Lions was held at the hall. The project is non-profit and for the benefit of the general public.

4-H Club Tour

A Potato Club tour was held in the Cornell area Monday night. 4-H Potato Club members, and their parents attended and were accompanied by Fred Bernhardt, 4-H agent, and Joe Heirman, agricultural agent. Because of the weather the group was unable to visit the potato fields, and a meeting was held at the Grey Knaus home. A discussion of potato practices was held. Attending were Clinton Sundquist of Pine Ridge, Gerald, Vernon and Jean Ford, Clayton Ford, David Woodard, and Harold Woodard, Leslie, Kenny, Jimmy and Ronald Shire of Cornell and Carl Perrien of Dayton, O.

4-H Activities Planned

The Girls 4-H Club met at the school Monday night. A regular business meeting was held. The following committee was named to make plans for a weiner roast: Janice McFadden, Nancy Way, Elaine Terrien and Beverly Terrien. Songs were led by Nancy Way, and recreation was led by Grace Budinger. The next meeting will be held at the Eugene Miron home.

The Busy Body 4-H club met at the school Monday night and made plans for a garden tour to be held next week. Games were played.

Briefs

George Ekstrom of Chestertown, Ind., is visiting at the Ed Wight home. Carl Perrien of Dayton, O., is visiting at the Grey Knaus home.

The Cornell Board of Education will meet at the school July 6 for the first session of the new fiscal year. Mr. and Mrs. Charlie Bucklund, old time residents of Ford River, attended the home-coming Sunday. Others attending from Cornell were Mr. and Mrs. Ed Wight and children Jay and Bob, Mr. and Mrs. Orville Wolf and Nina and Mr. and Mrs. Ted McFadden and Janice.

Polio Claims Two Lives In One Family

BRIGHTON (AP)—Tragedy has struck the Paul Field family for the second time in less than a week.

Two of the family's three children have died of polio. Five-year-old Grant was the latest victim. He died Sunday in University Hospital at Ann Arbor only five days after the dread disease carried off his eight-year-old sister Ruth.

Only Paul Jr., is left to Mr. and Mrs. Paul Field.

New Church Head

CLEVELAND (AP)—The Rev. J. E. Nopola of Ironwood, Mich., is the new president of the National Evangelical Lutheran Church.

The Michigan clergyman was named Monday at the denomination's 55th annual convention to succeed Dr. G. A. Aho of Painesville, O., who has held the position for 22 years.
